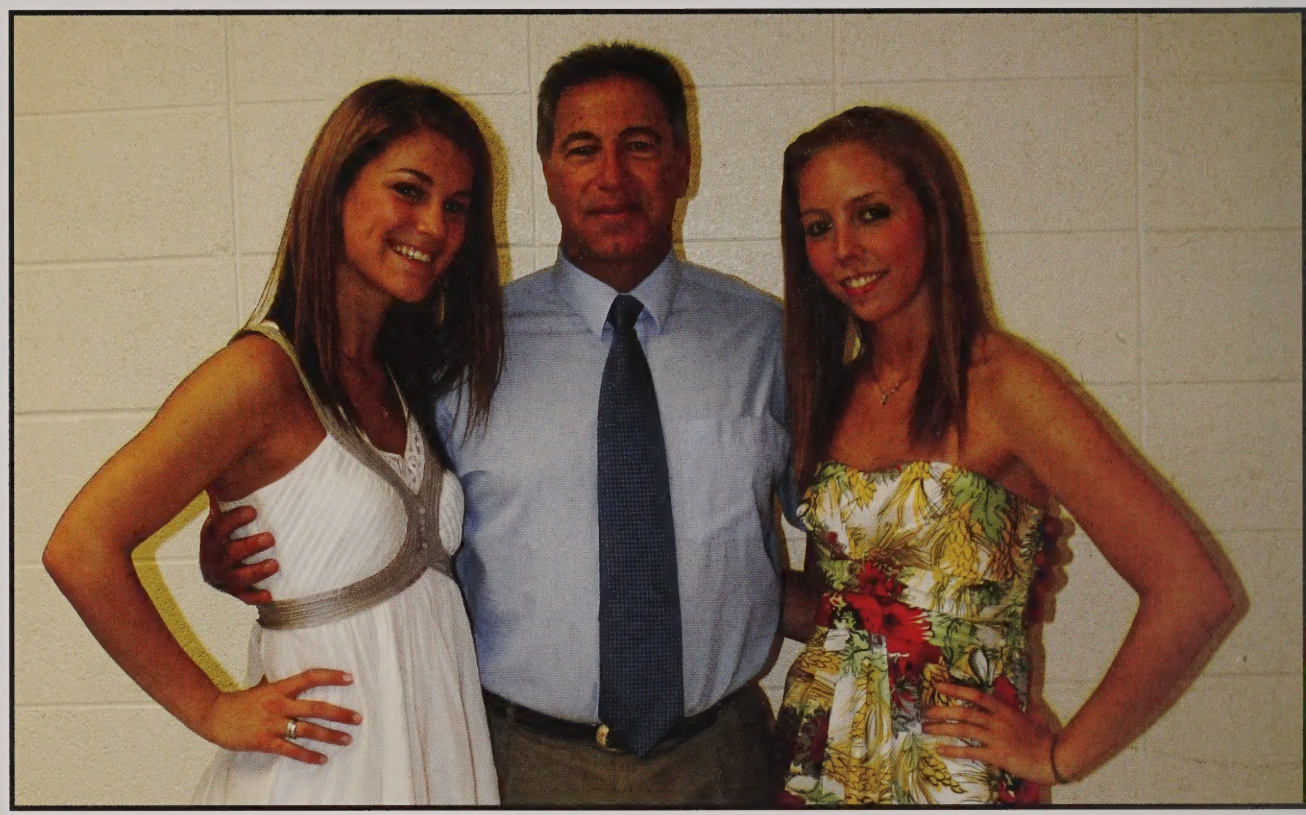
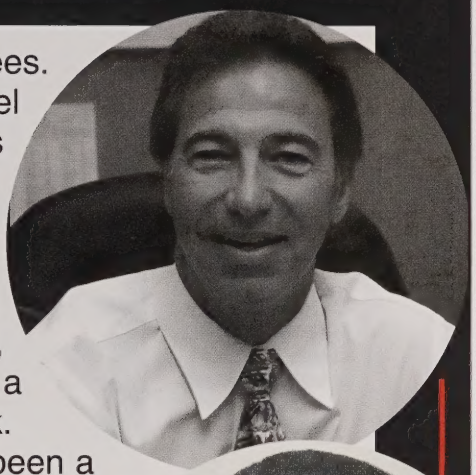
JOHN GRACEFFA - PRINCIPAL 1987 - 2010

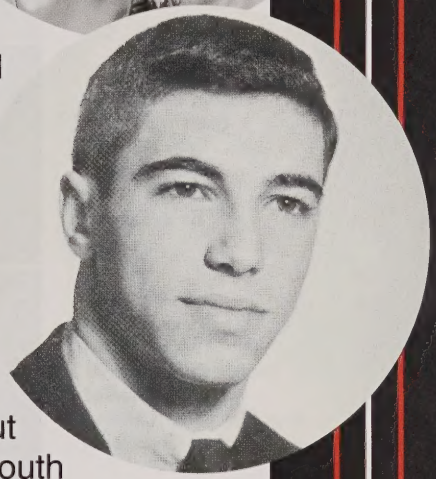


It is our pleasure to dedicate the 2010 yearbook to an honorable and esteemed man. His time and dedication to this school is something that will be forever remembered. It will be a different school without him in these halls and we are proud to give this year's book to such a Waltham High School legend. Through adversities and struggles this man has continually done what he could to pull through. The responsibilities he faces each day are a great test of character and he has set a prime example for all the students that he has come in contact with. Mr. John Graceffa has made an effort to become attached to each one of the students at this school by either personally handling their problems or simply knowing their names. When there is a problem in the school Mr. Graceffa is the first person to know what to do and how to handle each situation. He is the type of person that can be trusted and when students need someone to lend an ear or help them through a tough time he is always there, and also started the Peer Staff Mediation process in 1994 just following his initiation of the conflict resolution team in 1993.

When walking the halls of any High School it is common to see a teacher in hall duty and a student with a hall pass, but here at Waltham High School, you see more than just the typical school setting. Mr. Graceffa spends his down time checking in on



classes and making a point to say hello to each student he sees. Not only does he do things to make his students feel appreciated, he also makes serious strides to keep his students safe. He has made this school a safe environment for anything he or she needs help with. Mr. Graceffa treats each student at Waltham High School like one of his own, with respect, concern, and love. He had the privilege of being the principal for all three of his children, JT, Chris and Michael, and has personal connection with Waltham High School, as a graduate, and it shows through his dedication and hard work.



Mr. Graceffa is not only the principal but he has also been a coach, a teacher, a housemaster, a confidant, and a caring husband to his wife, Judy. Before Mr. Graceffa became principal in 1987 he was a housemaster and began his work here as a social studies teacher in 1972, where he met his wife Judy, another teacher at the time. In his early years of teaching he created many programs that impacted school growth and diversification. He was part of a group that started the Varsity Soccer program and he was the first coach. Mr. Graceffa was known for his work with, not only the high school soccer program, but also as a coach and supporter of the youth soccer program. He was a great athlete when he attended Waltham High School, playing Varsity Football for four years, Varsity Track for three years, and Varsity Basketball for four years. Mr. John Graceffa was inducted into the Waltham High School Athletic Hall of Fame for being the first Varsity Soccer coach. His leadership abilities began to become evident as he walked the halls as a student, elected as both his Junior and Senior Class President. After his high school graduation in 1966 Mr. John Graceffa went on to further his education at Springfield College. Mr. Graceffa has continually been a great influence on this school and, after this year, his presence will be forever missed. This yearbook will be a reminder of how much everyone in this school respects you and honors the lessons you have taught us.

Getting to know
ALEX MARK CARAMANICA

Favorite color?
Green

Favorite food?
Buffalo Chicken Wings

If you could have one super power what would it be?
The ability to fly, so I don't have to pay for gas.

Who is your favorite teacher?
Mr. Maguire because he has taught me a lot and he has never sent me to indoor, like all my other teachers.

Where are you going to school?
UMASS Lowell to study Marketing.

What was your favorite senior moment?
Getting inducted into the National Honors Society and seeing my mother's proud look on her face. Or when I found out I really didn't get in.

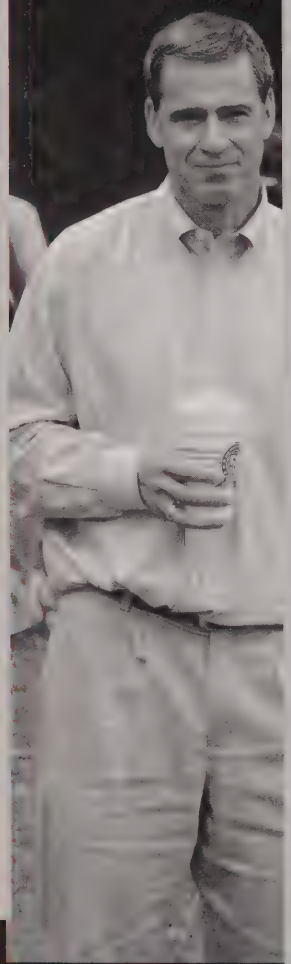
2010 CLUBS

This section of the yearbook shows all the clubs and special programs Waltham High School has to offer.



CLUBS & VOC-TECH

SDUC

Youths Opposed to Using

The Latin Club

Community Service Club

Best Buddies

"At every given opportunity we at Best Buddies continuously stress the fact that Friendship has no boundaries"

~Jen Borque
(President)

Debate Team

"Deliberation and debate is the way you stir the soul of our democracy."

~Jesse Jackson
(Civil Rights Leader)

Anime Club

"This club provides an outlet for all anime fans to express their interest with fellow fanatics as we not only watch anime, but we also discuss it"

~Matt Ng
(President)

"The Book Club consists of a group of close-knit students who all have a common love for reading. Each member has their own taste in books, and they share their loves for these books with the other members of the clubs"

~Kendall Boninti
(Advisor)

Book Club

"The Waltham Watch is a great opportunity for students in the advanced and intro to journalism classes to learn how to become a better writer. The actual layout of the articles and the pictures are the resonsibility of the advanced students as well."

~Allyson Hayden
(Editor)

Waltham Watch

"In the weekly meeting, we manage to push the borders that have been set in place by current video games as we try to peek into the future of gaming"

~Kendall Boninti
(Advisor)

3D Gaming Club

Italian Club

"Italian Club is one of my favorite clubs because there is so much food involved! This year, I was so proud of how successful our Italian Night turned out. It was a lot of work, but everyone had a good time!"

~Steven Krueger
(Vice President)

French Club

"La Paix, l'Amour, le Français" (Peace, Love, French)

~Motto of Club

Spanish Club

"Throughout the year the Spanish Club is very active in the school. For outside fundraisers and events, the Spanish Club supported our local troops overseas by sending care packages. Because we have a large amount of members, we were able to hold events with great turnouts each time."

~Rachael Wheaton
(President)

"Model U.N. is where students go to discuss topics that motivate them to take action. Through two days of formal simulation of the actual United Nations, students in Model U.N. make connections, build interpersonal skills, and pursue their interest in diplomacy and politics."

~Jeff Taylor

Model UN

"If we cannot end now our differences, at least we can help make the world safe for diversity"

~John F. Kennedy

Diversity Club

"In art the hand can never execute anything higher than the heart can inspire."

- Alex Deleon

Art Club

Freshmen Mentor

"Freshmen Mentor Program has been very exciting and refreshing each year. We love getting the freshmen acquainted and the mentors helped their transition this year yet again."

~Paula Le
(Advisor)

GSA

"This year GSA has made great strides through its various fundraisers and events, our most successful being the Day of Silence. In the future, we hope to make Waltham High School an even more open and accepting community"

~Tara Considine
(President)

The Abstract

"The Abstract is a public forum of creative composition where we advise our writers to think outside the box, for the mind is a prism."

~Arthur Vanaria (Editor)

Vocational/Technical Program

Culinary

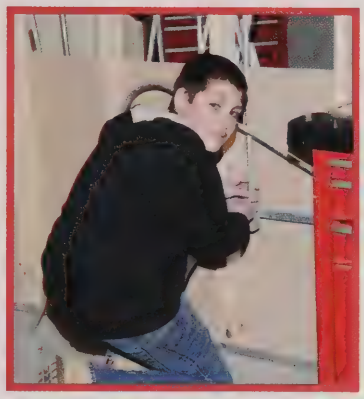
Kim Chan

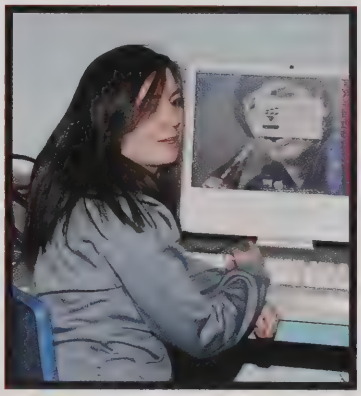
Since freshman year, I knew that I was going to make my way up the ladder to take Culinary Arts. I finally had enough credits so I gave it a shot. I had Mr. Piantedosi and Mrs. Hunt as teachers. They taught us everything from cooking techniques to presentation skills that were both useful for entertaining a table for 2 or a room of 700. We also catered events such as the Waltham Education and Beyond Foundation, Waltham Food and Wine Festival and Awards Night. I would recommend taking Culinary Arts because it is an opportunity to learn beyond kitchen basics.

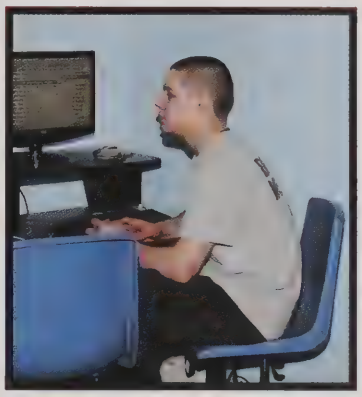
Carpentry

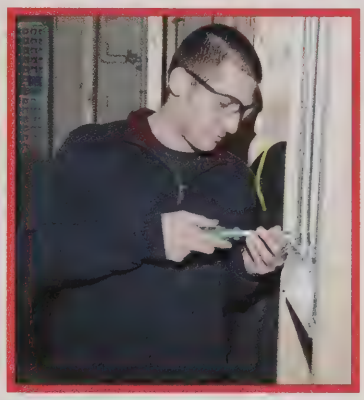
Billy Turpin

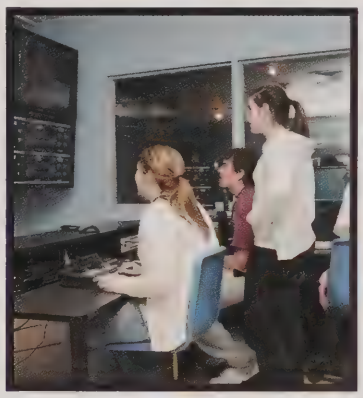
Carpentry really helped me open a lot of doors in my life and this class is where I learned all that I do now about working with wood and building. This class was not only a vocational class but it was also a lot of fun. I spent a lot of time in this class building and doing extra projects because of how much I enjoyed being a carpenter. We learned everything from cutting with a Jigsaw to sanding our work down to make it smooth. This class was a great experience and really helped me to choose what it was I wanted to do with my life.











Electrical

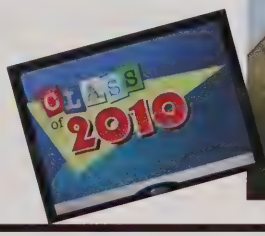
Peter Dennison

Since freshman year, Ryan (LaBrache) and I have been taking Electrical in the Vocational Technical Program. Our teacher is Mr. Corbett and he has helped us learn a lot. We have learned how to electrically wire houses and how to bend pipe. I plan to work for my father because he owns his own company, Dennison Electric. I plan on going to night classes next year at either Peterson or Martin Electric School. I would recommend taking Vocational classes because they are part of a great program.

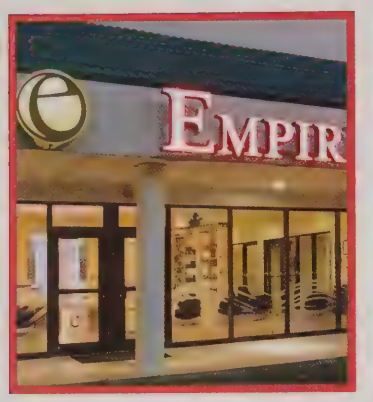
Television Production

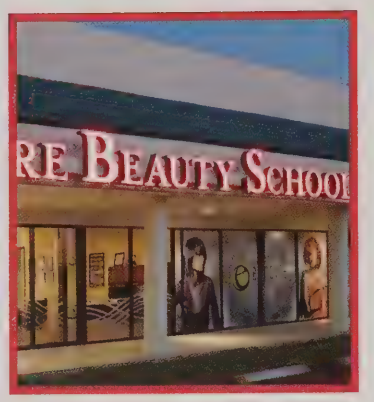
Nikki DeBernadi

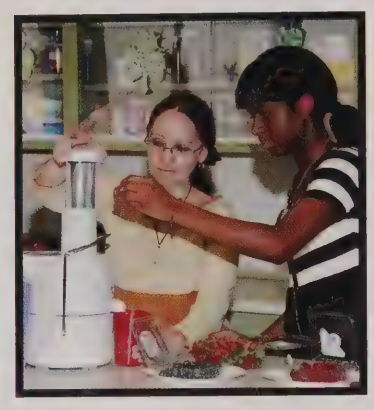
"Taking TV broadcasting has really made my senior year more enjoyable. It has also taught me a lot. My favorite part about the class was when we would edit segments all together. However, being the first co-anchor of *WHS News Now* was lots of fun too! Taking this class has influenced me to go to college and to pursue communications. Now I can't wait to see what else I can learn next year at Quinnipiac!

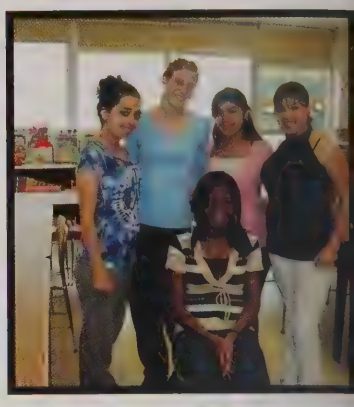


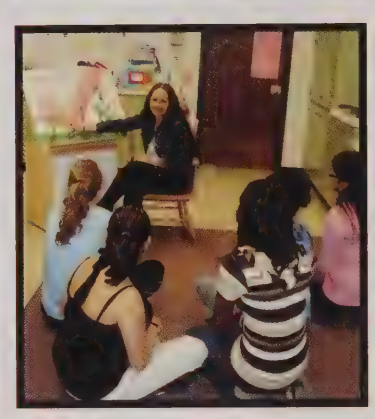
Vocational/Technical Program











Cosmetology

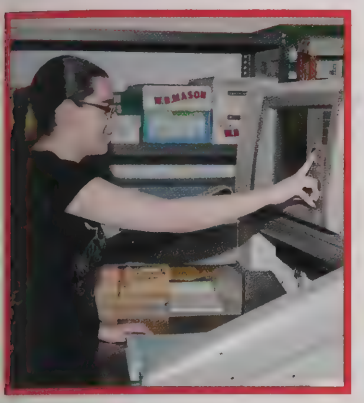
Alex Guelli

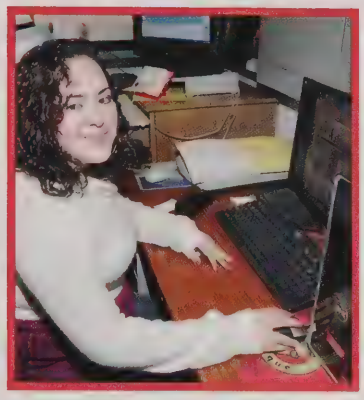
"I have taken the cosmetology program through Empire Beauty School junior and senior year. The experience has given me many job opportunities and a skill that I will use throughout my life. It is a one thousand hour course and requires you to pass a state board exam. Throughout my two years, we have learned about hair, nails, and skin. I plan on working after High School and beginning my career. I would recommend this program to people who are looking for a more creative way to learn and express themselves through an industry that will always be successful. "

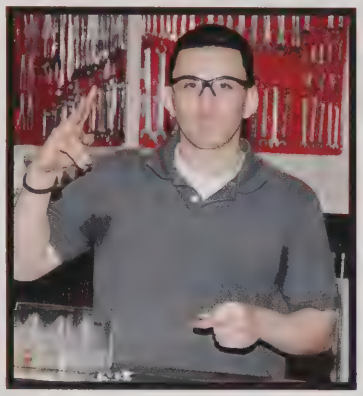
Child Care

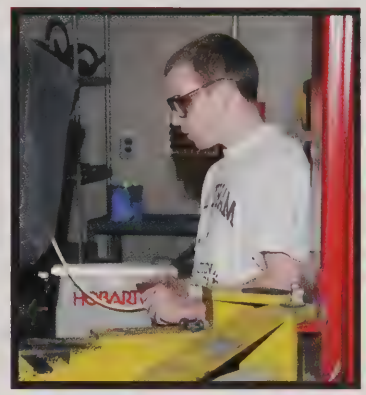
Esther Bernard

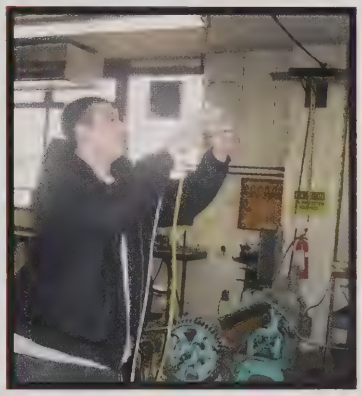
"I've been part of this program since Junior year. It's definitely had a positive impact on my life, in school and out of school. My teacher, Mrs. McCready, has helped me learned the ins and outs off working with children and has provided me with tools to benefit me working with children in the future. I plan on majoring in Psychology at Bridgewater State to help further my knowledge of the way children think. I would definitely recommend this program to anyone who's willing to do the hard work. If they have any interest in any of these Vocational Programs, they'll learn so much while having fun!"











Graphic Design

Ian Stanton

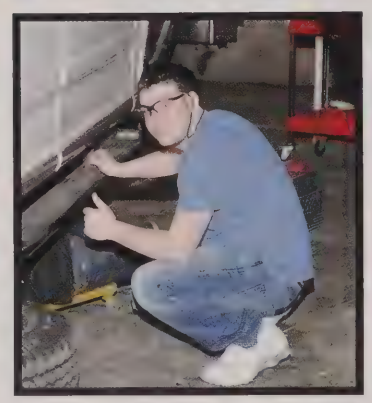
I was involved in the graphic design program in WHS since my sophomore year. The Graphic design program is a fantastic program with not only great resources, such as up to date adobe programs and a computer for every student, but even better teachers. The program is taught by Mr. Keaney who is an experienced artist and a phenomenal teacher.]With assistance from Mr. MacCarthy,who teaches YTE, I was able to exceed my expectations and reach my full potential in the world of graphic design. At the end of my 3 years in the program I was accepted into the New England Institute of Art, where I will continue to pursue my career as a graphic designer.

Metal Fabrication

Kyle Cannistraro

"I began taking metal fabrication my sophmore year and it was a great vocational program taught by Mr. Keene. I learned how to build and repair things through welding. I also worked closely with the other shops to complete projects. I learned a lot of life lessons and skills from this class. I would highly recommend these vocational classes to anyone becasue it makes you an all around better student, and better prepare you for a career. "

Vocational/Technical Program



Automotive Technology

Vasili Baras

"I have taken automotive technology since freshman year. In this class we learn how to diagnose and repair cars that are not working right. We have 2 hours a week in the classroom where we learn about the different parts of the car and how they work. The remainder of the hours we then spend in the shop where we work on cars from actual customers. Anyone can bring their car in to be fixed. After taking four years of this class I can now say that I understand how most of the car works and can fix most problems.

Autobody

Alvaro Hernandez

"Since sophomore year I have been taking this class to enhance my knowledge of collision technology. My teachers were Mr. Ramsey and Mr. Hernandez. I have learned how to paint, weld, basic dent repair and sheet metal cutting. I plan to work for my friend at a local shop but my dream is to open a shop for myself. I'm also thinking of going to New England Tech and increasing my knowledge of collision technology. I would totally recommend this class; it's a lot of fun and you really learn a lot."

Captain's Dinner

This year's 10-24 Captain's dinner was held at the Chateau .

2010 SPORTS

Each sport gets a page in this part of the yearbook. This will feature each team and members of each team.

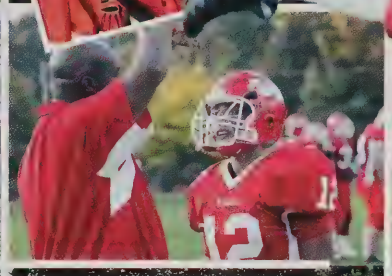
SPORTS

FALL SPORTS

started the year off right.

FOOTBALL

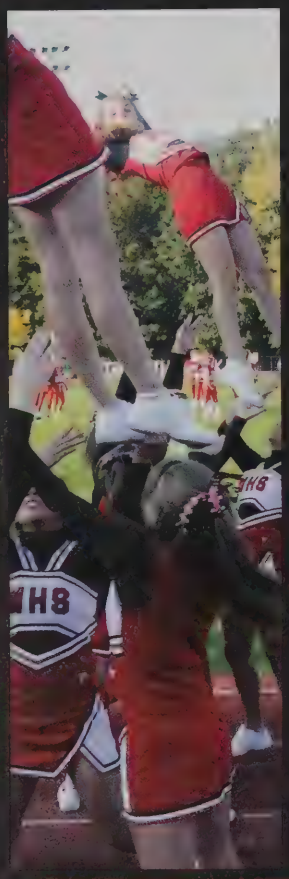
"We had a great 4 years culminating with our last season being the best season we had as a group."
-Dan Maynes

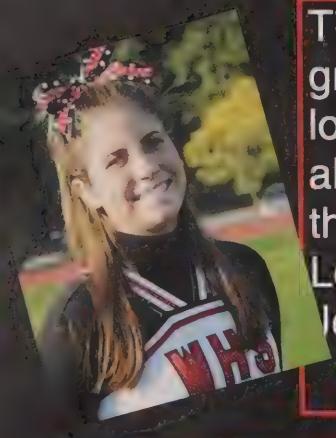


This year our football team started the season off right. With exciting games and large fan groups, the football team got the Hawks back into the school spirit stride we had been missing. With great plays from Senior Ivan Colon as quarterback, the Hawks were able to push through the competition. Seniors like Mike Nutile and Dylan Carnes did a great job with the ball, getting us many touchdowns and proving that the Hawks were not an easy team to beat. Asside from our all-star seniors, juniors like Brian Cappadona and Brad Keirstead made it clear that this was not just a one season team. The season was tough, with hard games against powerful teams like Xaverian but the Hawks were able to qualify for the state tournament. With the excitement of the season taking off, the Hawks were able to deliver great performances in games like Homecoming and the Thanksgiving Day game. This year was a great year for the Hawks and, under coach Paul Mayberry, the Hawks were able to play a great season and finish on a strong note with a great game and a great effort. The state tournament was exciting but with the loss we did not hang our heads.

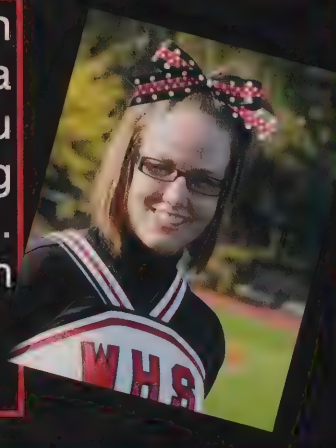
This team was a hard working team and they made all of our students very proud.

FOOTBALL CHEER

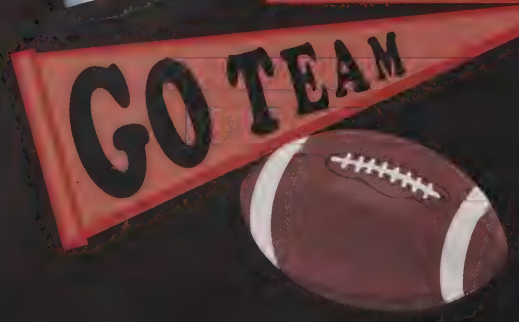




This season has been great. We've come a long way and hope you all keep that up during the upcoming seasons. Love you all. - Captain Jessica Zimbone

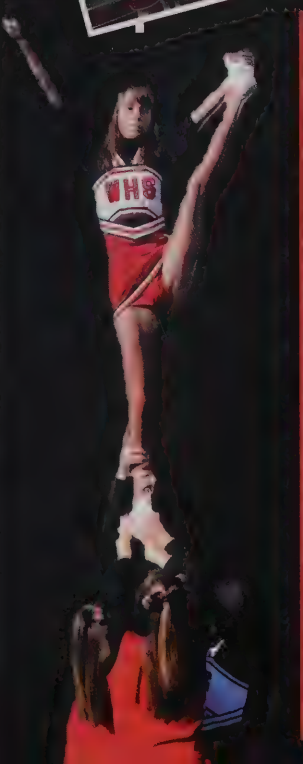


Good luck with your upcoming seasons! I love you all so much! -Captain Katie Lepore



This season has been awesome! We worked our butts off every day and have been through it all. I'll neve forget our countless laughs! Love you girls! - Captain Cayla Babigian

Captains Cayla Babigian, Jessica Zimbone and Katie LePore with Coach Shayne Simahk



Going into the 2009 Football Cheerleading season we did not know what to expect. We came into this season with a new coach, and most importantly, a new league. Our coach gave up everything for this team and really made us successful cheerleaders. Captains Cayla Babigian, Jessica Zimbone and Katie Lepore were great leaders and role models. We did not know who we were going to be competing against nor did we have an idea of the amount of skills the other teams possessed. We worked extremely hard throughout the summer and attended a 4-day camp, which took place at Mount Ida College. This overnight camp was very successful and it had a positive outcome on each individual cheerleader. Our days were tremendously long and hard but also very helpful. We placed first at our first competition of the year, which showed the other competitors that we were here to win and we did exactly that.

"We had a great year in my mind. All the seniors did their part in helping the team become sucessful. I look forward to what the future holds for Coach Sorin and the rest of the team."
- Captain Steve Paul

The 2009 season brought a lot of excitement and promise to the WHS golf team. In our second year in the very competitive Dual County League, the golf team was challenged with every match. With a wide variety of talent, the golf team was able to showcase our ability to compete with some of the best teams in the state. Steven Paul and Chris Annunciata led the way for the Hawks as co-captains for the 2009 season. Seniors Mike Lombardi and Danny LaCrosse also saw much success on the course and helped the team to win some key matches.

The hawk is in the science room!

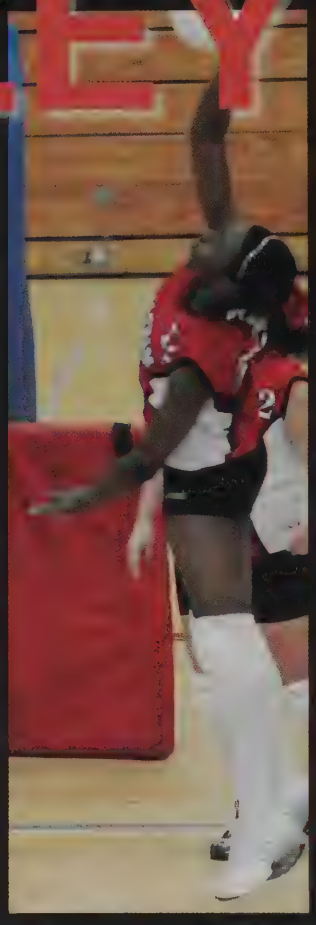
It was really upseting that I was not able to finish the season due to my injury; however, I enjoyed watching my team work hard everyday. - Colleen O'Donnell

We didn't know what we were in for this year, but we worked hard and as a team and we improved a lot. - Natalie Viyaran

The Waltham Lady Hawks had a great season this year. Although the season had its ups and downs the girls truly pulled together and know the deffinition of a team. Feild hockey was one of the best experiences of our high school careers. We met amazing girls and made friendships that will last a life time. Together we learned life lessons from working hard and taking responsibilities for ourselves. We learned from each others mistakes and helped eachother whenever needed from learning a new skill to homework. With some of the best coaches out there its no suprise the team had such great success. We are going to miss our team and Coach Nugent. We wish every one the best of luck with their futures!

- Co-Captains Colleen and Stacy

VOLLEYBALL



SCORES

Bedford	0-3 L
Weston	3-0 W
Newton South	0-3 L
Acton Boxborough	0-3 L
Wayland	0-3 L
Lincoln Sudbury	0-3 L
Boston Latin	0-3 L

Arlington	3-2 W
Newton South	0-3 L
Acton Boxborough	1-3 L
Lincoln Sudbury	0-3 L
Boston Latin	0-3 L
Westford Academy	0-3 L

For me, volleyball was a great experience where I was able to bond with my team. We all worked together and formed a unity. Throughout the season we've had a lot of good times and some bad moments. Losing games was expected but we lost with good sportsmanship.

- Lorna Horace

In spite of our record, we still worked hard to gain the respect of the other teams by not hanging our heads. We did a great job keeping our spirits up. - Bryanna Cappadonae

Jump. Set. Spike! The Volleyball girls from 2009 had an amazing coach who stood by them and made sure they became better players each day. All the girls felt committed to the team and worked hard to show their best on the court. The hard teamwork paid off with the girls not only by winning a couple of games but by feeling proud of themselves. Each game lost was a new opportunity to learn from mistakes and become stronger in weak points. Their experience taught the girls that it is always worth working hard and is necessary to achieve goals. For the senior girls, the memories of the volleyball team will follow them forever, and it was an experience they will carry forever.

This was a tough year for us but we all put in our best effort to play hard. -Nick Iodice

This years team was really close and we had alot of fun on and off the field. -Ogi Rapaic

This was a strong team as we approached our season. With many seniors this team we had to work hard to keep the leadership in tact. Our team was a strong willed team and we worked hard each day in practice. The first game against Bedford was a good boost for us as we started the season with a big win. We never quit on a game and even if we had a tough game we didn't hang our heads. This team was a great group and we made sure we were all friends not only team mates. The season was 4-6-3 and we were not ashamed of our overall we were actually quite proud that we could take tough teams like Boston Latin and Newton South, and also not quit in tough games like Linclon Sudbury or Acton Boxborough.

We worked so hard on and off season. Best of luck next year! - Captain Jenna Ersnt #14

I will never forget how many laughs we had this year! Love you girls always! - Captain Olivia Creonte #2

This year the Lady Hawks came into the season ready to win. All summer we had been working out, doing the Performance Enhancement Program, and running 2 miles every Friday. We knew it was going to be a challenging season since it was only our second year in the DCL. Despite these challenges and our record, we came out ready to fight. We went into every game with dignity and heart, and even shut down some of the DCL's best players. We will never forget those long bus rides home, with Kara Greeley singing Disney songs, keeping our team happy and positive. I'm sure none of us will forget Michelle St. Cyr's dancing skills, which gave us laughs at every practice. The Lady Hawks of 2009 had such team spirit; we made sure to be pumped up before each and every game. To show how tough we were, we used to paint black under our eyes. Although we may not have won a lot of games, our team never gave up, which we think is the most important thing for a team to do. We will miss all of you girls so much, and wish the best of luck to the girls next year for the 2010 season! "Simply the best, PIC, Hit!"

WINTER SPORTS

kept the momentum going.

Malden Catholic	65-45	W

We had a sense of achievement in the fact we made the tournamet, We played a good team and our season ended on a high point for us.
- Captain A.J. Prince

I think we can all take away the romping we put on Westford Academy twice, especially at home early in the season.
- Captain Mike MIcco

This was the year for the Hawks basketball team to make it to the state tournament, and they did. All season the Hawks played with intensity and drive as they hoped this would be the year for them to make a claim to the state tournament. This year not only did the hawks play well but they helped school spirit by drawing a huge following with the "Cohen Crazies" as was shown on WE-TV. With a hard work ethic and a strong set of fans this team was able to prove that they were not an easy team to beat. With senior stars like Ogi Rapaic and "Crazy Legs" Tony Frimpong the hawks took down tough teams like Arlington and M.C. The year was finally finished with a strong game against Saint John's Prep where the hawks lost in a great match up with the eagles. The game was fast paced and exciting as the hawks proved that they were no team to look past. With a great end to a great season the boys were very proud to say that they made the tournament and were no simple team beat.

GIRLS BASKETBALL

SCORES

Bedford	56-68	L
Weston		L
Newton South	29-62	L
Acton Boxborough	32-56	L
Wayland		W
Lincoln Sudbury	29-55	L
Boston Latin	45-49	L

Concord Carlisle		W
Arlington		W
Newton South	43-62	L
Acton Boxborough		L
Lincoln Sudbury		L
Boston Latin		W
Westford Academy		L

As Captain Alex Cercone states, "We didn't have the best season, but as a team we did as much as we could, and we did it as a team"

As Senior Megan Millian says, "Even though it wasn't the greatest season as a whole, we had fun and that's all that really matters in the end."

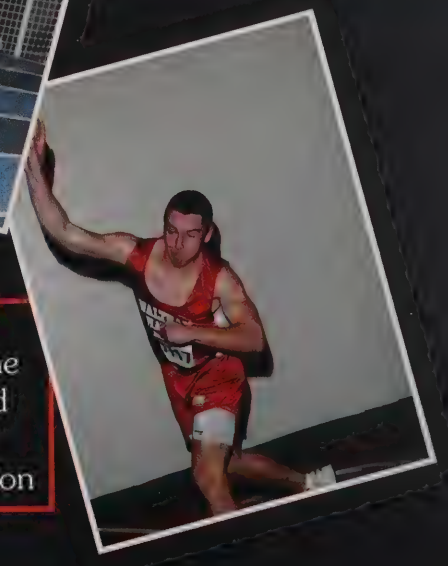
The 2009/2010 Girls Basketball team had a season to remember. With a very limited amount of practice time, they finished each game with every ounce of dedication as the first game. Junior captains Alex Cercone and Nadja Kern cheering on their team and getting the athletes pumped for each game helped out their team a lot. Games such as Acton-Boxbourgh, which took a mental toll on the girls, is what kept them motivated to do well the rest of the season. Despite the home opener against Beford, where they were shy of the win, the Girls Basketball team ended the season with some success.

BOYS' INDOOR

SCORES

Newton South	20-75	L
Lincoln Sudbury	21-78	L
Westford Academy	32-62	L
Acton Boxborough	21-74	L
Boston Latin	52-36	W

"Track's real fun because you can run real fast and there ain't no speed limit."
- Brian Long



"This season was so much fun thanks to the awesome coaches and all of my teammates."
- Sean Donlon

TRACK

This season, because of the help from Coach Bourque, Coach MacIsaac, and Ms. Headrick, the boys' team was successful. Captains Dylan Carnes, Ivan Colon and Jeremy Kacher led the team through the season's rough start to an end record of 5-5. Carnes said, "everyone had a lot of fun in practice because the coaches were great. They always made everyone laugh and there was never a time where something was boring. The way our coaches carry themselves and the way that the team bonded was what made the season successful." The captains could not have asked for a better season to end their high school career with.

Captains Ivan Colon and Dylan Carnes with coaches Mr. Bourque and Mr. McIsaac (not shown: Jeremy Kacher)

GIRLS' INDOOR

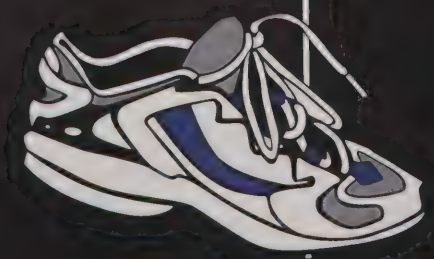
Acton Boxborough	10-84 L
Boston Latin	49-41 W



"It's the most nerve racking feeling when the gun is about to go off; but these are the moments when hard work and dedication finally make a difference."

- Ivy Watts

TRACK

This season, at the Reggie Lewis Center in West Roxbury, was definitely memorable. Our team, led by Head Coach Francois Joseph, Assistant Coach Katherine and Distance Coach Laura Headrick, did pretty well this year. Captains Allyson Hayden, Sabrina Zottola, Anna O'Brien, and Nikki DeBernardi worked hard to make the season fun and exciting with a bake sale, custom -made t-shirts, and team dinners, to give a few examples. This season was successful based on the two wins out of five Dual County meets. Our wins over Westford Academy and Boston Latin were well deserved, as we trained particularly hard this year. With three consecutive bi-weeks from the Dual County meets at Reggie Lewis, we kept busy by having three of our own meets (Arligton, Bedford, and Weston) officiated at home. These meets at the John F. Kennedy Middle School led us to three small victories on our own home track. Ending with a DCL record of 2-3-0 this season, the seniors wish the track team luck for years to come.

Captains, Nikki DeBenardi, Allyson Hayden, Sabrina Zottola and Anna O'Brien with coaches Francois Joseph and Katherine

HOCKEY

"Our season was successful; the last game was tough to deal with but we didn't play the way we should've. Overall, we had fun and made the best of it."
- Captain Domonic Coviello

SCORES	US - THEM
Billerica	0-3; 1-1
Westford Academy	1-2; 1-1
Lincon-Sudbury	6-0;
Newton North	8-0

Tewksbury	4-1
Arlington	4-0
Chelmsford	1-0
Arlington Cathloic	2-0
Archbishop Williams	2-2
Hingham	6-3
St. John's Prep	4-1
St. Mary's Lynn	3-2

This was a big year for our hockey team, and everyone could see that. We had an allstar goalie and a very strong team to play in front of him. We had many seniors on this team like offensive players Ryan Pratt, Bob Poilucci, Joe Cicconi and Mike Lombardi along with our senior defense Dom Coviello and George Tedford. Along with our senior players we also had many younger team mates like defensive player Brian Rowland and winger Chris Maguire. This team was a strong team of players that had and eye for the net with many points from junior Doug Usseglio and the seniors. The hawks qualified for the State Tournament and was sadly knocked out in a battle between St. Mary's of Lynn. Sadly we were defeated but after such a strong season there was no reason to hang our heads.

"We had a great season and everyone worked really hard. Good luck to everyone next year." - Captain Bobby Poillucci

"The season went well overall. I am very proud of what we accomplished and I will never forget this team." - Ashley Sordello

"This year we really bonded as a team and we proved the school wrong when we made it to the second round of the state tournament."
- Anya Battaglino

"Coming into the season it was nerve-racking not knowing how things would go. Who would be our goalie or our new assistant coach? Would we make tournament? In the end, everything fell into place. The team defiantly exceeded everyone's expectations as we made it to the second round of the tournament. Although we were unable to beat our rival, Hingham, we ended the game with our heads held high. With such a united team, we left the season with not only a better knowledge of the game but also with lifelong friends. Moments we had in the locker room will stay with us forever, whether they were dancing before practice or talking about our day. In the end we'll never forget the skills we learned, the friendships we've built, or the memories we created."

SKIING

"I want to thank Coach Sorin for everything he did for us and hopefully the team will continue to grow and have fun as it did this past year." - Captain Jared Taber

"This season was the best way to end my high school career and I have Sorin and the rest of the team to thank for that. Make me proud next year guys!"- Captain Danielle Scanlon

Captains Jared Taber and Danielle Scanlon with coach Russ Sorin.

This season, the ski team came out to make a new name for themselves. Coming off of past years with no more than five boys and one girl, the team grew to consist of fifteen members that were ready to compete. The team was lead by Coach Sorin, alongside captains Jared Taber and Danielle Scanlon, who worked with the team that had members ranging in skill levels from never putting on skis before, to defending state champions. "I loved watching Sorin be the man on skis, taking the new kids out there and trying to make the team better," says Taber. Being such a small team, compared to the rest, both the girls and boys teams held their own, coming in 5th place in the Mass Bay Ski League East. Indivdually, the team had two members make the state championships: freshman Richie Scanlon and senior captain Danielle Scanlon. Battling tough weather conditions and unpredictable courses, Coach Sorin and both athletes made their way out to Wachusett Mountain. There, Waltham held their own with Richie placing in the top half of the competitors and Danielle winning the Giant Slalom State Title. Danielle moved on to become a member of the Massachusetts State Team and competed at the Eastern High School Regional Champships. It was there that history was made for Waltham High School, when Danielle won the Combined Regional Championship Title.

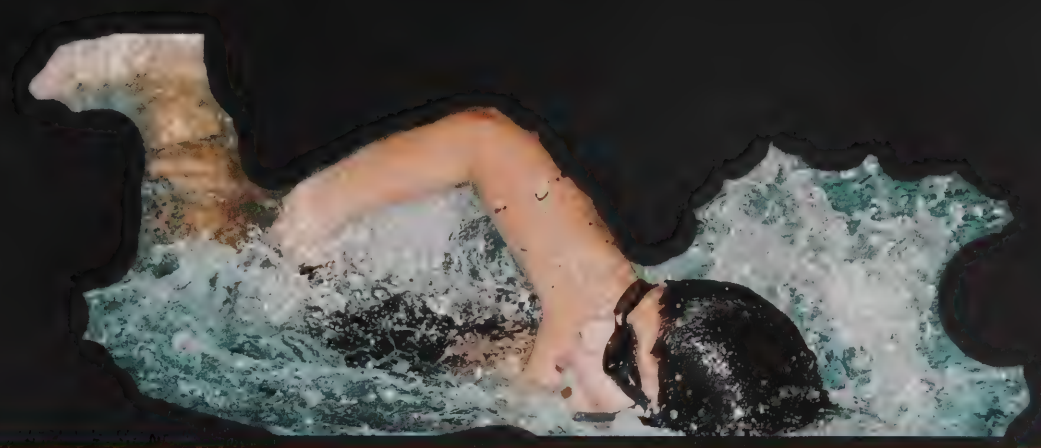
Swim this year was fun. We managed to become a family and although we lost John Causland on the team we pulled together and did the best that we could throughout the season. - Kara Greeley



This year's team was faced with a season difficulty, which was trying to fit into this tough league. This year was hard and the team was able to really work on team building. With our work in the pool we were able to unite as a team and have a really fun season. We all beat many personal records and we learned a lot about perserverence. This was a great season and we had a lot of fun together. We all joined together to support our teammate John, and with swim-a-thons and constant support we were able to help him and become a close-knit team as well. Practices were hard and the meets were no easier but the experiences we all gained in the pool and as a team were so worth the work. Thank you so much to all of the team!

"We didn't always have the greatest success, but we put forth our best efforts every match." - Senior Captian Joe Catino

"Everybody on the team showed hard work and dedication all season long." - Senior Captain Jim Coutoumas

Captains Joey Catino, Chris Annunciata, and Jimmy Coutoumas with Coaches

The wrestling team was upbeat for start of their season this year. Leadership was not going to be a problem for the Hawks since all three captains were seniors this year. The tri-captains this year were: Jimmy Coutoumas, Joe Catino, and Chris Annunciata, and these three were the only seniors on the team. With a young team behind them everybody had to pick it up early in the season. Wins could always be counted on from Coutoumas and Catino, as they were tops in the state in their respective weight classes. Although the team didn't have a winning record, several members of the team advanced to matches in the post season of wrestling. Waltham wrestling competed in events such as All-States and All-New Englands. With so much youth on the team, everybody returning is looking to make a strong comeback season. Everyone will be more expierenced and will know what it takes to come away victorious and make a run after the season. Rest assured, the team will come ready to work and rack up the wins next year when wrestling season rolls around

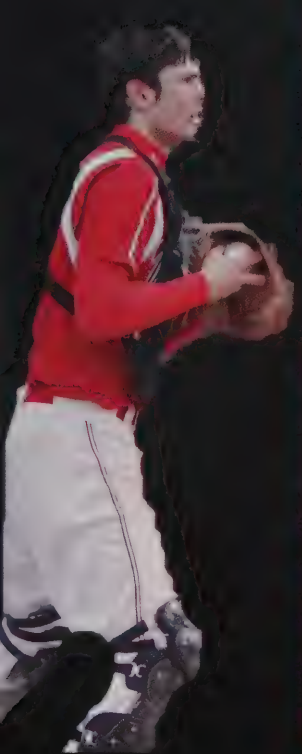
Spring Sports

finished the year strong.

BASEBALL

"Even though it wasn't the best season for us, I had a great time and will miss playing next year." - Mike Micco

"This year we had a tough record but it taught us a lot about how to handle the worst situations." - Ivan Colon



Synonymous with the spring, baseball season was upon us fast. Returning 13 seniors, the team felt they had a chance to compete in arguably the toughest league in high school baseball: the DCL. With teams like Lincoln-Sudbury, Acton-Boxborough and Westford Academy riddled throughout the schedule, there were no games where a "W" could be placed beforehand. As a result, the team faced inconsistency with the bats and gloves, while pitching had its moments. In part due to a disappointing record, underclassmen have been given a chance to step in, getting their feet wet for next season. Regardless of the end result of this season, it still had its moments of hard work and enjoyment. There is always next year, leaving room for improvement. Good luck to everyone and remember not to strive for the bare-minimum, compete and have pride.

Q&A with Chris Annunciata

Q: What do you guys do durin practice?
A: We start with two laps around the pi then stretches. If the team needs to b disciplined, they will do some suicides.

Q: How long is practice?
A: It's two to two and a half hours long day

Q: What is the best move to get a shot?
A: Getting separation from the defens and than having a fast release

This year the lacrosse team impressed us all as they proved that this was not a "bad year" for the hawks. With what looked to be a beatable team, and a new coaching staff the hawks worked day in and day out to become a not so beatable team at all. The work they did during practice showed in their game play and was refected through their record. The lacrosse team made it to the state tournament and even made it to the second round. This was a great year for the hawks and they helped end the spring season off the right way. The team was proud of their game against St. John's Prep because they never let up and they had the Eagles scared the whole game.

GIRLS LACROSSE

We did not base our success on our record because this year to our team our record did not reflect the heart of each individual on our team. It also does not reflect our hard work and dedication to our team. We fought in every game and every practice. -Meghan Millian

"This lacrosse season was one to remember indefinitely. Although we did not finish the season with the best record, our team connected and bonded each and every day in ways that most teams don't." -Paige Qualters

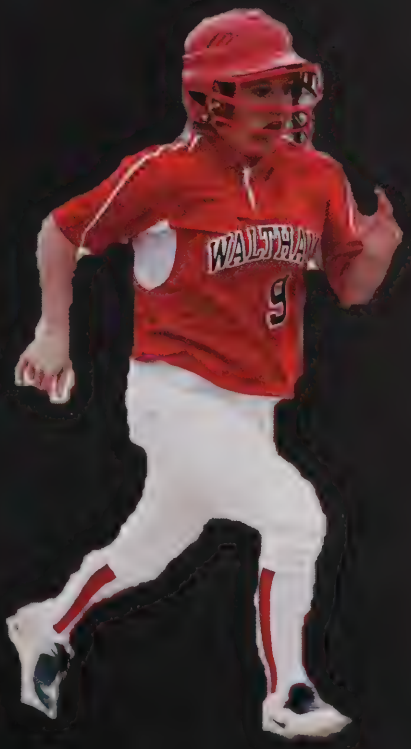
The 2010 Girls Lacrosse Season was a very success in all aspects. Being in the DCL meant going up against some very competitive teams. With games such as Lincoln-Sudbury or Westford Academy, the teamwork they portrayed was legendary. All the girls had a special bond with each other on and off the field which worked to their advantage. The record that lies on the 2010 Lacrosse Season does not portray the hardwork and dedication that the girls devoted, they are only numbers.

SOFTBALL

"The team consisted of a great group of girls, who will never forget. I'm excited to see what becomes of the team in the future. Good luck Girls!!!" -Danielle Scanlon

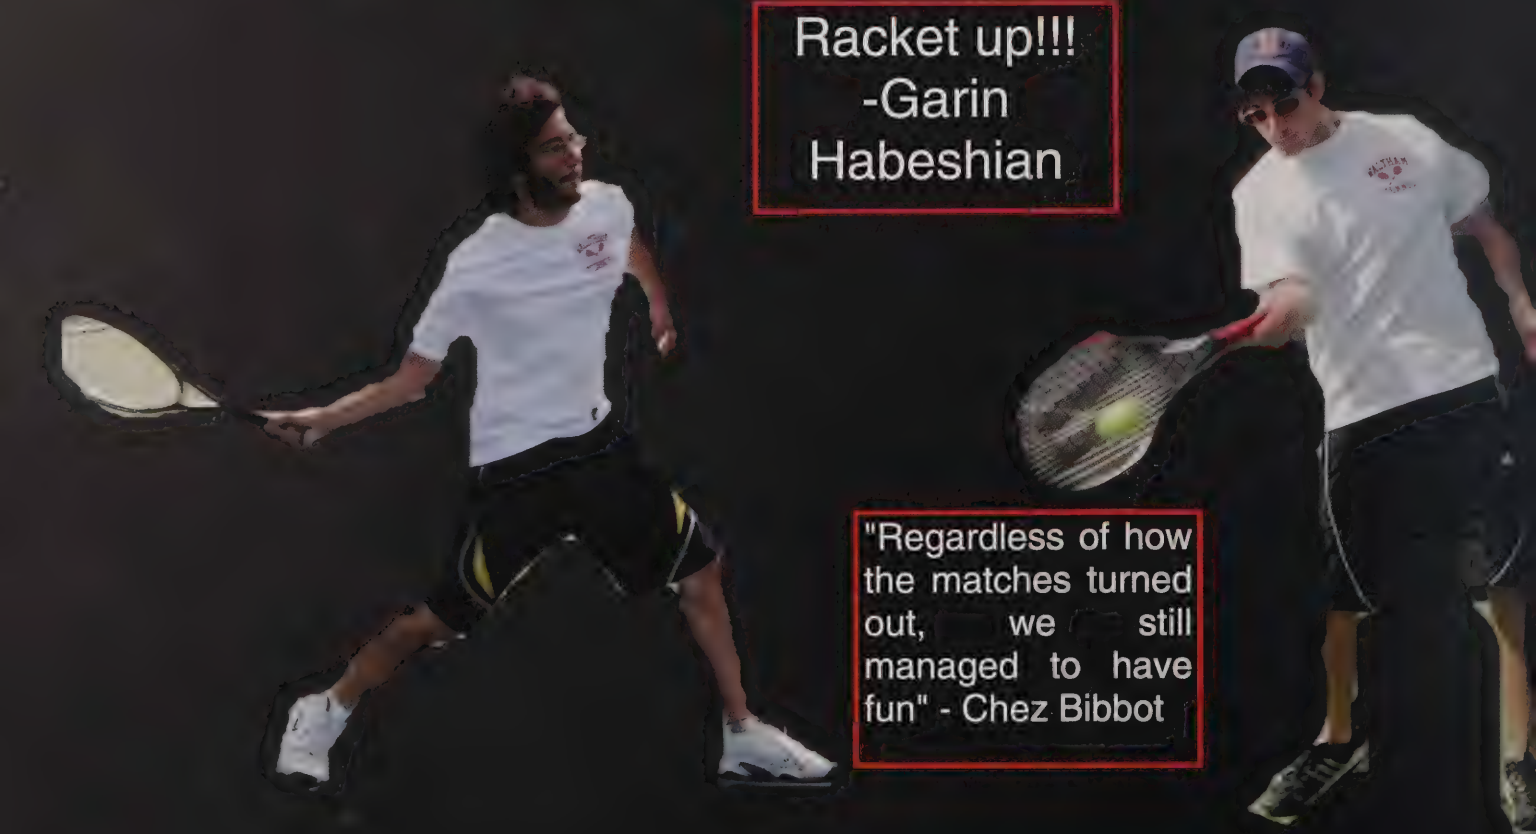
"Even though we didn't win as many games as we were capable of, we still made great friendships and I had a very enjoyable senior year as a part of this team." -Diana Sutherland

The 2010 season was full of highs and lows for the WHS Softball Team. Under the leadership of a new coach, Bob Magarian, and senior captains, Diana Sutherland and Danielle Scanlon, the season was a learning experience. From trying to understand a new form of coaching to forming team chemistry with such a young group that consisted of only 3 seniors, the girls faced their challenges head on and were able to surprise some league leaders throughout the season. Although the record might not show it, the Hawks fought in some close games, against powerhouses like AB and CC. It was the struggles that brought highlights at the end of the season. In the Hawks last game, they were one run short of knocking Westford Academy out of the tournament and had Scanlon named a DCL All Star after that game. These events give hope to the future of the program.



BOYS TENNIS

Racket up!!!
-Garin
Habeshian



"Regardless of how the matches turned out, we still managed to have fun" - Chez Bibbot

GO TEAM

"We were quite unsuccessful throughout the season although we went into each match trying our hardest. There were great moments of success and there were sad moments of defeat. Although we were unable to win any of our matches, the season was filled with unforgettable moments of laughter and pure fun. One memory in particular that I will always remember would be when I whacked myself in the face with the racket when I was swinging for the ball. These memories and many more are what makes the season as enjoyable as it was and what makes our team the Waltham tennis team."

- Captain Garin Habeshian

GIRLS TENNIS

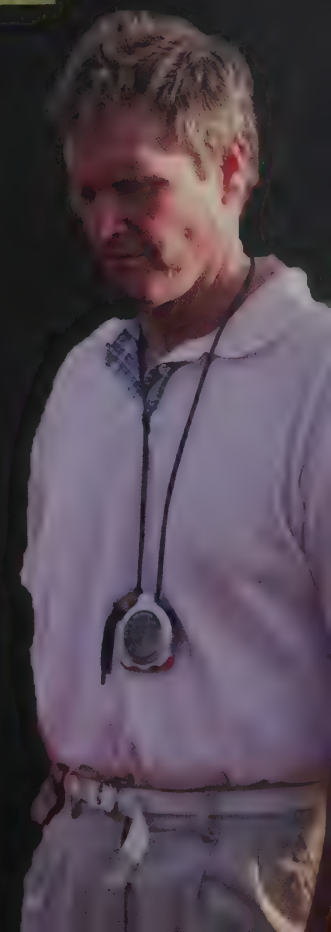
GO TEAM

Tennis season this year was great. we had three new comers join the team and by the end of the season, all of them had improved. the ladies and I became a unit and ended the year with a relaxed, informal dinner at a team mates house. I remained at first singles the entire year as a team captain. my fellow seniors, Rachael and co-captain Stephane ruffin switched off at 2nd and 3rd singles while our much improved junior, Chantal Tavitian played a major role, performing at second singles for most of the year. our doubles teams were composed of pairs from the following team members: Victoria, Shampagne, Laura, Maria and Amrita. Laura, as a consistant player stepped up as a strong 3rd singles player.

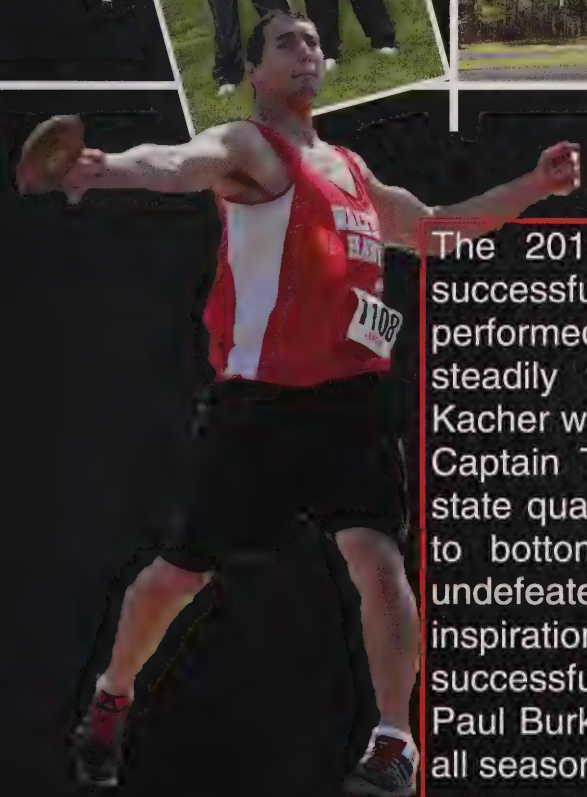
BOYS OUTDOOR

Great track season, everyone stepped up to the plate when called upon despite the tough competition of the DCL. Last season with the one and only Coach Keohane. -Tony Frimpong

Everyone came into the season knowing that it would be a hard year but we stuck together and did everything possible to help the team succeed -Jeremy Kacher

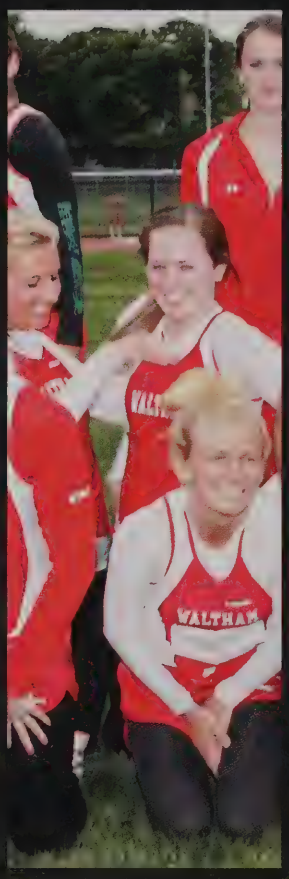


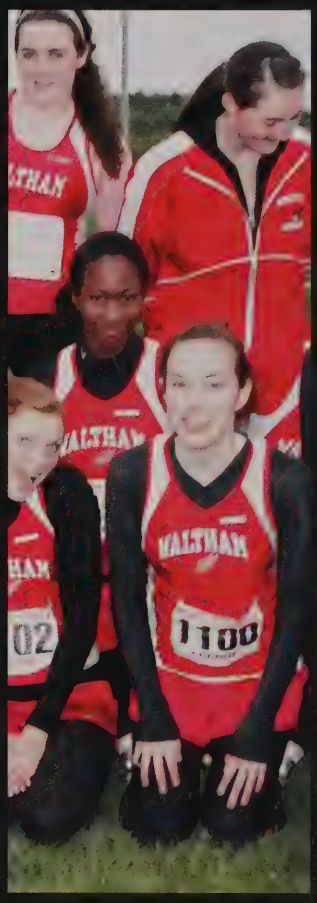
TRACK & FIELD



The 2010 Waltham Boys Outdoor Track had a very successful year in the Dual County League. Our sprinters performed well on the season. Our distance kept improving steadily from the great leadership of Captain Jeremy Kacher who set the pace for them. The hurdlers were led by Captain Toni Frimpong and Jared Taber who were both state qualifiers. Our jumpers were a strong group from top to bottom. The throwers dominate the league led by undefeated Captain Danny Maynes and through the great inspiration of Casey O'Brien. We could not have been successful without the great coaching of Dan Keohane and Paul Burke who made us perform to the top of our abilities all season long.

GIRLS OUTDOOR





" We did a great job this year, especially all those who made it to States!"
- Captain Olivia Creonte

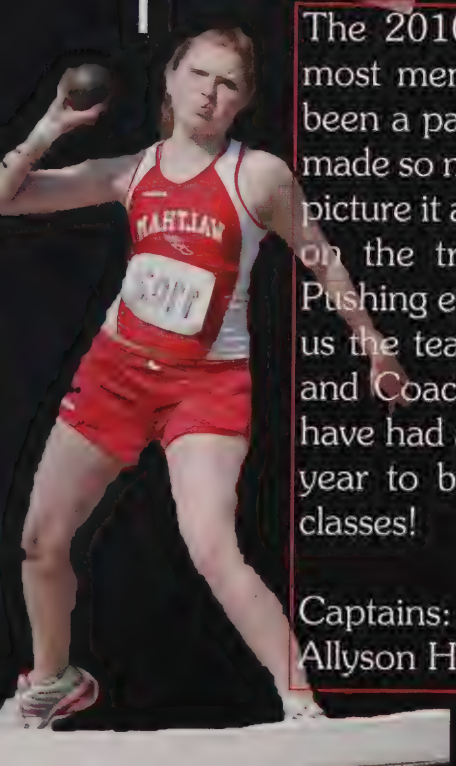
"I will never forget all the good times and inside jokes that we created over these four years! Best of luck"
- Captain Sabrina Zottola

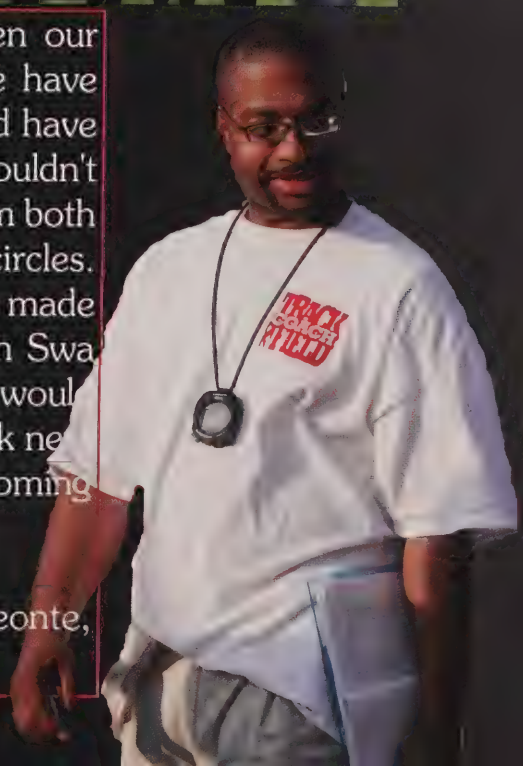
" I had so much fun this year, I will never forget my team mates!"- Nikki DeBernardi

TRACK & FIELD

The 2010 outdoor track season has been our most memorable year. Being seniors, we have been a part of this team for four years and have made so many friends and bonds that we couldn't picture it any other way. We grew as a team both on the track, sand pits and throwing circles. Pushing each other and giving support has made us the team we are today. Without Coach Swa and Coach Kathryn we don't believe we woul have had as much fun as we did. Good luck ne year to both the new captains and upcoming classes!

Captains: Sabrina Zottola, Olivia Creonte, Allyson Hayden and Anna O'Brien





SCHOOL EVENTS

This section of the yearbook will show the many events WHS has put on this year.

SCHOOL EVENTS

Homecoming Game

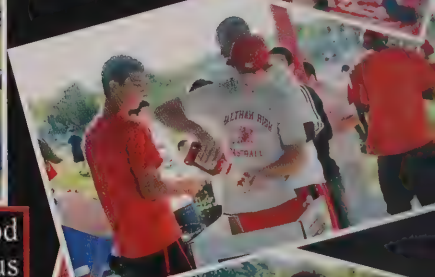
#81 Dylan Camos

#12 Ivan Colon

#33 Mi[illegible] Nolle

Pre-game Cookout

"The cookout was a good time sharing delicious food, activities and music with friends before the game later that night. It was a nice concept and everybody had a good time"
- Dominic Coviello



Homecoming Dance

"After watching all the competition, I was nervous that the mix and dance that we made was not good enough to win, but the whole team really pulled through."
- Dylan Carnes

Lipsync Competition

This year's Lipsync competition had more entries than in previous years, and contained more than just the usual fall sport teams. There was the Senior Girls group (E+F), and a solo entry by Vi'Quann Smith danced the Choreography of the "Single Ladies" music video (C). The girls' varsity soccer team (A+B) and cheerleading team (D) each choreographed dances to their own song mixes. However, the senior football boys did not disappoint the crowd as they claimed victory and defended their title once again.

As for the homecoming court, this year's winners were: Laben Christenson and Juliana Roche for the freshman class (H), Derrick Bonnah and Holly Rigoli for the sophomore class (I), and Collin Whittier and Morgan Richard for the juniors (J). This year's Senior Homecoming King and Queen: Daniel Maynes and Anna O'Brien (K).

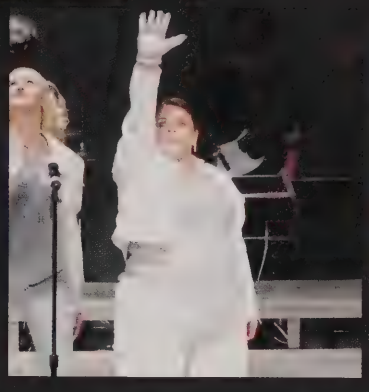
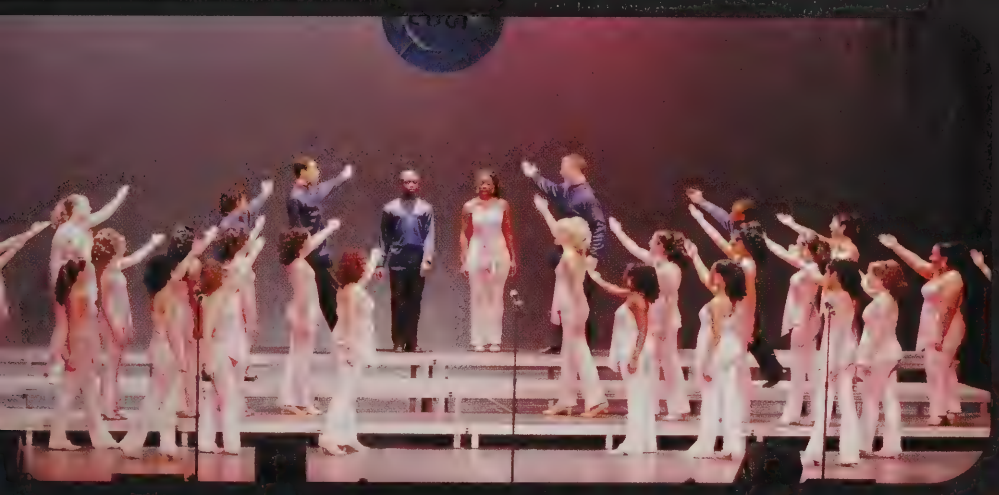
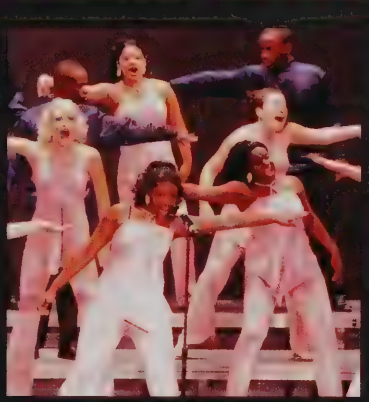
Music Express



Music Odyssey

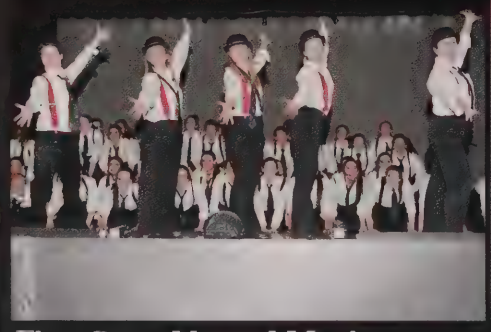




Dance Theatre Cast

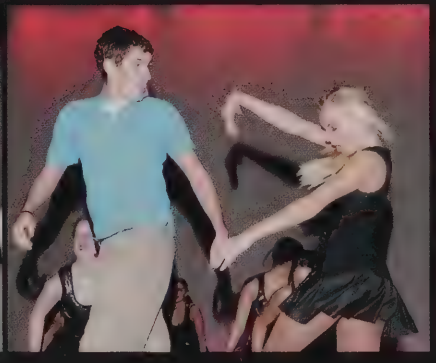
The cast of Dance Theatre 2010 consisted of 115 students ranging in grade from freshmen to seniors.

"Give them dance, they will come!"
- Deb Peros-Finnell



Five Guys Named Moe!

Deb Peros-Finnell stars in the opening of the second act with her guest choreographers: Katie Paul Anderson, Jesse Sinerate, Laura Headrick, and Cathy Jones.



Not Single For Long!

Seniors Olivia Creonte and Steven Krueger perform a special solo in "Single Ladies."

Mother-Daughter Moment

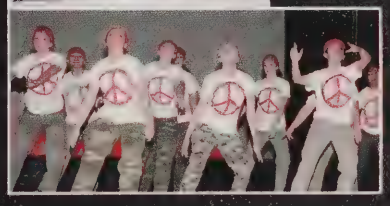
Deb is joined by her daughter, Alex, in the touching Alumni dance, "In My Daughter's Eyes."

DANCE THEATRE

2010 was a big year for Deb Peros-Finnell. It marked the 25th Anniversary of Dance Theatre. Along with her five guest choreographers, Deb created and produced 22 fabulous dance numbers. With the help of senior dance captains Grace Gehrenbeck-Shim, Lauren Penta, Regina Creamer, Lorna Horace, and Ryan Cormier, Deb led 115 WHS students through nine weeks of intense rehearsal. Mrs. Peros-Finnell has built a program that the people of Waltham have come to know and love over the past 25 years. Apart from the regular cast, 45 Dance Theatre Alumni also took part in the show in a number called, "Together Again." Senior captain, Lauren Penta, calls DT, "the best part of my high school career. Deb puts so much of herself into this show, and it is a great experience. It is an amazing thing to be a part of!" Dance Theatre is an event that everyone in Waltham looks forward to, and we can't wait to see what Deb still has in store for us. Here's to 25, Deb, and to 25 more!

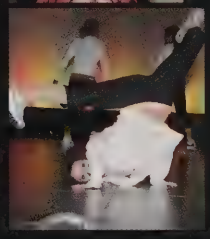
"Morning After Dark"

"Jai Ho"



"Come Together"

Captains
Deborah Peros-Finnell with captains Grace Gehrenbeck-Shim, Lauren Penta, Ryan Cormier, Regina Creamer, and Lorna Horace.



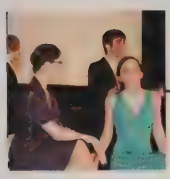
Gotta Kick It Up!
Tap girls kick their legs in the last tap dance of the show, "I Got the Music In Me," cheoreographed by Mrs. Peros-Finnell.

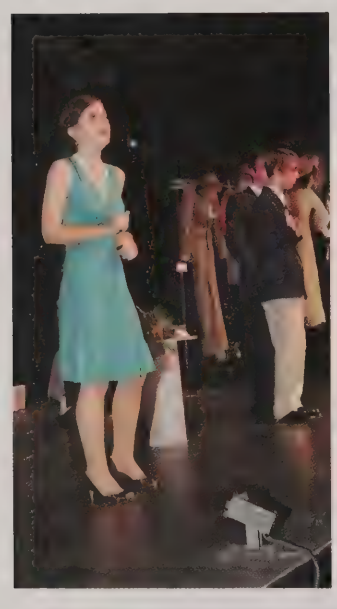
"2010 was a great year for DT. I can't wait for my next two!" -Brenna Arthur

"Dance Theatre has been my favorite part of high school. I love it!" -Yvens Alexis

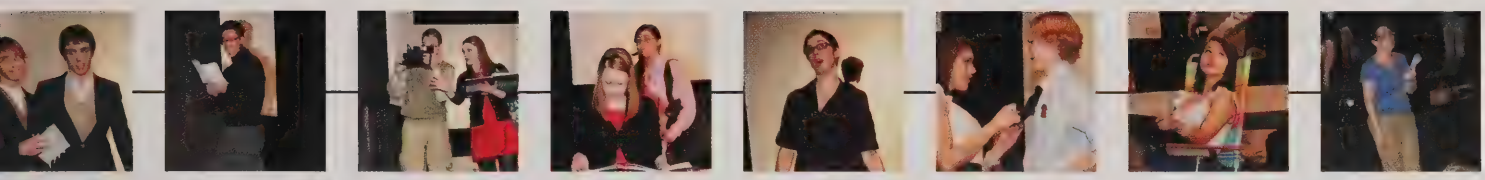
"Everyone has their moments in this show; it's really nice." -Anya Battaglino

"I was so happy Deb let me start off the show!" -Llarison Gonzalez





WHS Drama Presents...



Museum

The Drama Department Presents:
The Wedding Singer

The Spring Musical this year was "The Wedding Singer," based on the hit movie starring Adam Sandler and Drew Barrymore. The lead roles of Robbie Hart and Julia Sullivan were played by senior Joey Santangelo (H) and junior Nicole Tashian (D). The musical was directed by drama teacher Sheila Ponte, choreographed by Deb Peros-Finnell, and musically directed by Johanne McIvor. Other lead roles were played by Krystal Hernandez, Matt Chase, Kris Aguirre, Mendy Geneus, and Keira Tom.

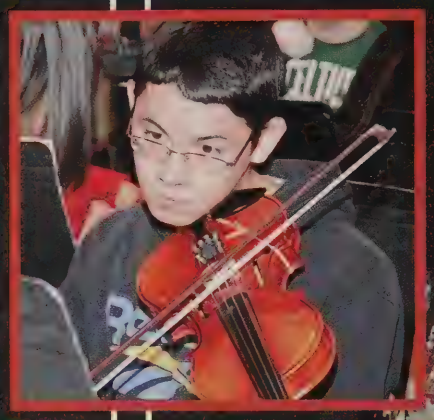
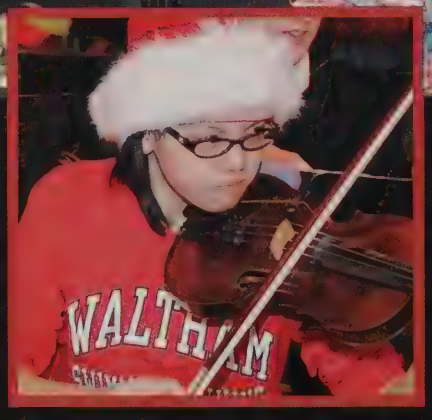
CAESARE BIBBO
Nathan OBrien

Student Santa





Student Santa has helped many families in the Waltham Community for the past 26 years. This year, A-block classes, clubs, and sports teams were assigned a child to raise money and purchase gifts for. Also, some students and their familes purchased gifts for additional children as well. The whole school put in a tremendous effort this year. Student Council member and Boys Vice President, Joe Rayne, described his experience in Student Santa, "I thought it was a complete success. We helped over 300 families this year. I was thrilled to participate in the program for the third consecutive year as a member of the Student Council and hope it continues for years to come."

Mr. Waltham

Mr. Waltham is a recently established annual event at Waltham High School. This years competition included Danny Lacrosse, Steven Krueger, Peter Hsi, Jonas Duffrene, Chris Lu, Tony Frimpong, Ivan Colon, Ryan Pratt, Tyler Surette, Luther Benoit, Dominic Coviello, Dylan Carnes, Joe Falzone, and Steve Falzone. The portions of the competition include: dancing, talents, swim wear, formal wear, and interviews. After a very fun-filled competition, this year's "Mr. Waltham," is Tyler Surette! The top five selected from the competition were: Danny Lacrosse, Dominic Coviello, Peter Hsi, Jonas Duffrene, and Tyler Surette. Danny won the title of Mr. Congeniality. Peter was named Mr. Fashionable and Jonas won Mr. Entertainment. The show was hosted by seniors Bryanna Cappadona and Joseph Rayne. Thank you to this year's judges: Mrs. Lopes, Mrs. Deb Finnel, Mr. McMahon, Mr. Gelinas, and Mr. Rono; Mr. Waltham turned out great! We also owe a special thanks to Ms. Headrick for helping out with all of the choreography and giving us her time and support.

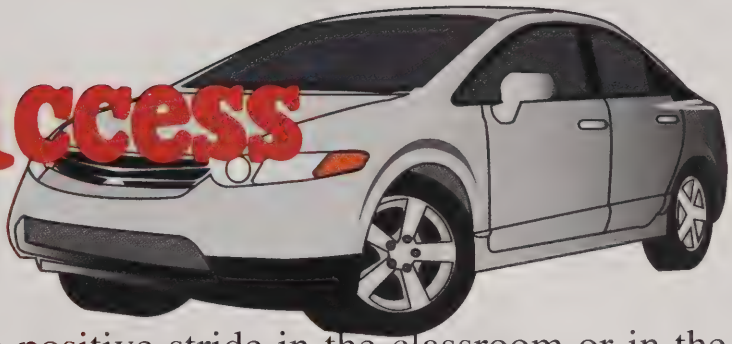
Tyler Surette
Mr. Waltham 2010

Hosted By:

Bryanna Cappadona

Joseph Rayne

Keys to Success



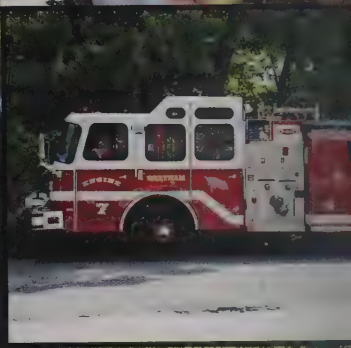
For each positive stride in the classroom or in the community, teachers give students a "key card," which they use to claim things like gift cards and other rewards. At the end of the year, each key card is entered into a raffle for the chance to get a car key. If your car key turns on the donated car, then you get to keep it!

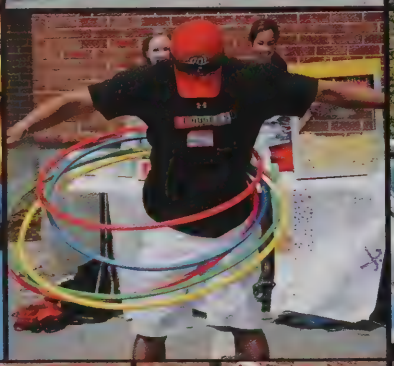
Turning the key Anthony Cacciatore, Ronelle LeBlanc, Jenny Berbine, Ani Ghazarian, Peter Hsi, Sender Lopez,Kris Aguirre, and Sarah Fucci 2. Anthony Cacciatore took his turn.

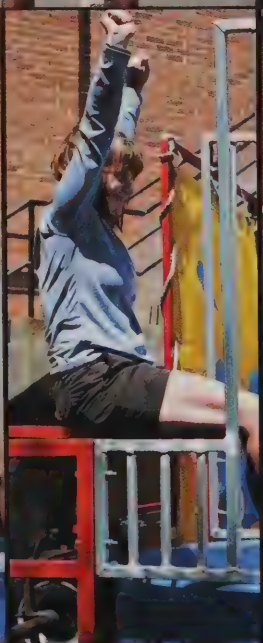
Found Him!

In his spare time the hawk helps out in the House Office.

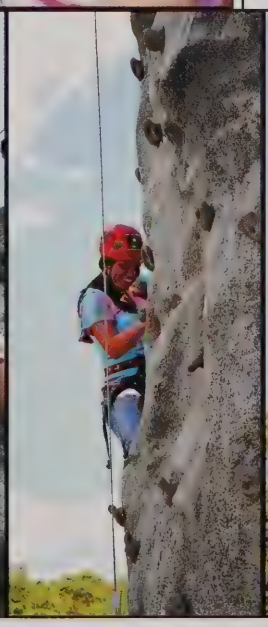
First Annual SPRING FEST





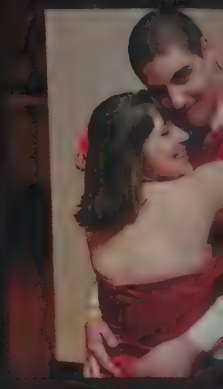


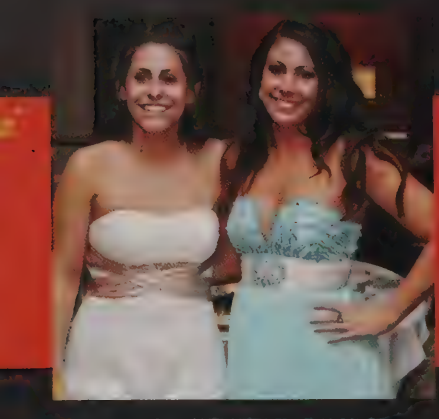
This event was full of food games and entertainment that all students, teachers, and children enjoyed. Spring Fest 2010 was an excellent idea put together by Student Council that will hopefully be repeated each spring. With faculty in the dunk tank, free wings from all around Waltham, the Y.O.U. obstacle course and the Anime Club's fish pond, there were plenty of fun things to fill your afternoon while helping to give back to the various clubs and sports teams at Waltham High. There was even an appearance from our very own Mr. Waltham.

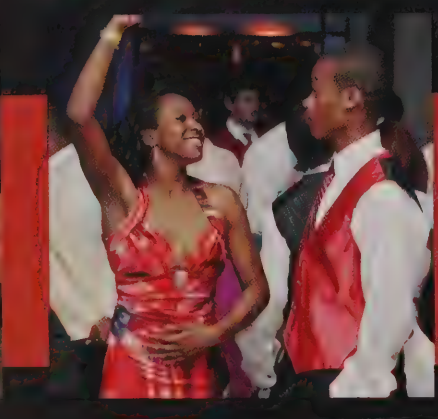


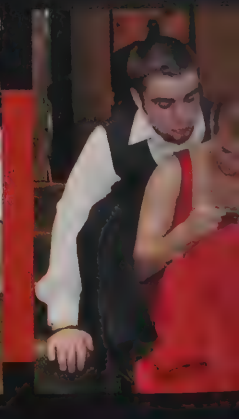
Junior Prom

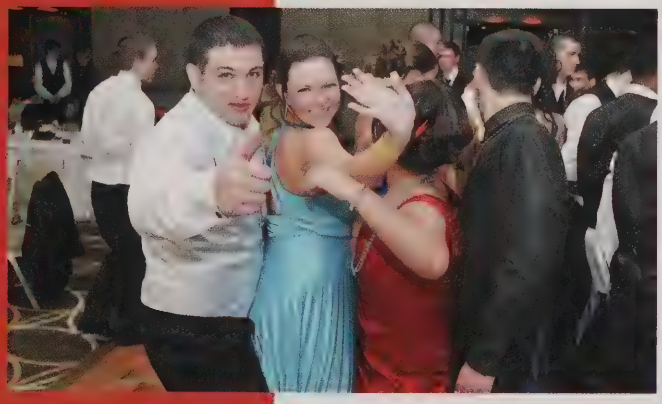
Junior Prom was held at the Waltham Westin on March 19, 2010.

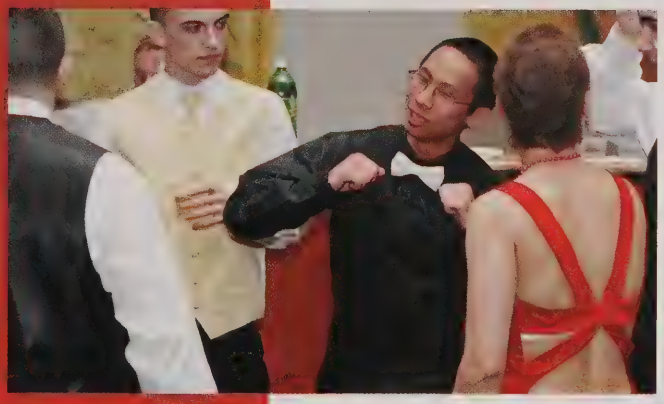


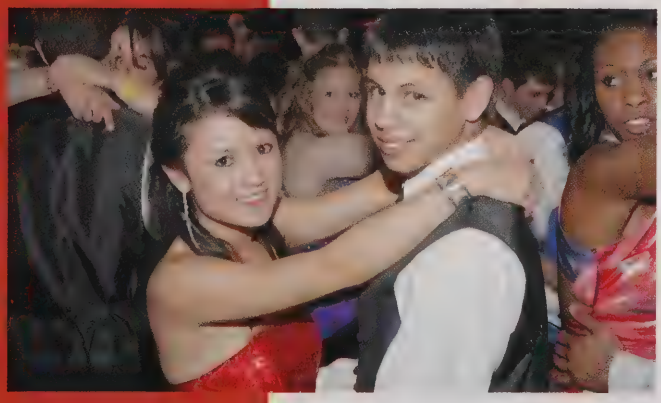










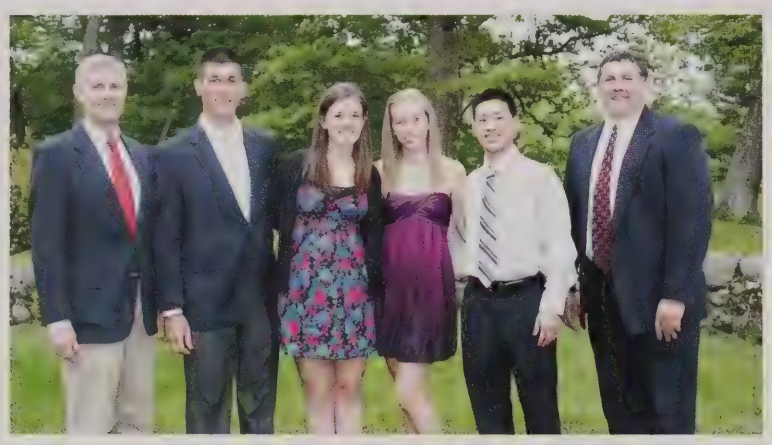


NHS & SENIOR

This part of the book is for each event that the senior class had and also to feature the National Honors Society and the Student Council.

NHS, STUDENT COUNCIL & SENIOR EVENTS

National Honor Society



National Honor Sociey Officers Ogi Rapiac, Allie Hickey, Julie Bonanno, and Chris Lu along with Mr. Cox and Mr. Grinnell.

The Man Of the Year Awards went to Mr. John Graceffa and Mr Dan Cohane. This award is given to a man or woman that has given back to the city of Waltham and someone who spends their time helping others. They are accompanied by the Honorable Jannett McCarthy and Dr. Peter Azar, Superintendent of schools.

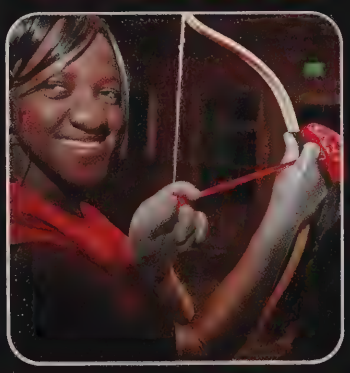
Halloween Dance

Each year, The National Honor Society hosts the Halloween Dance for all members of NHS, and also for the Class Council. As always, it took place at the beautiful Paine Estate. Costumes were required for this night of fun!



Senior Social

Also held at the Paine Estate, the Senior social was a formal event open for all members of the senior class to attend. It included dinner, dancing and fun for all

The annual group photo taken on the stairs of the Paine Estate

Ryan Mcolgan, Matt Corapi and Robby MacDonald enjoy some of the food proided by various donations

"I had A great time with all of my friends at the senior social! It was really fun to dress up and go out for a night of fun!" - Nikki DeBarnardi

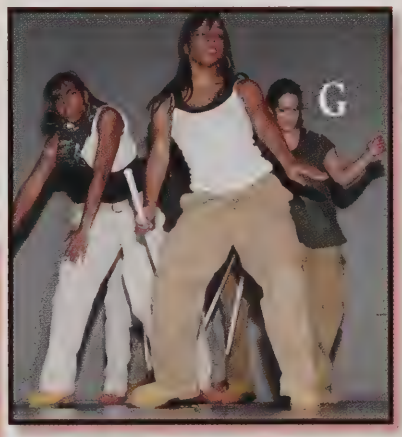
Senior Revue

As usual, the senior class rocked the house with this multi-talented show that ranged from Dylan Carnes, Steven Krueger, Ivan Colon, Mike Micco, and Jonas Duffrene singing an acapella version of "I Want You Back" by the Jackson Five, to our Waltham High School Step Squad ripping up the stage. Other star performers came out of their shells and finally showed everyone what they could really do. With the long deticated hours from staff at the high school including Mrs. Finell, Mrs. Ponte, Mr. Landis and Mr. Burns the show was made possible. After such a short time, which seemed like forever, we were able to put on a great show and really captivate our audience. Our Masters of Ceremonies all did a great job of performing memorable skits like "The Amazing Race" and the spoof on the hot new show "Jon and Kate Plus Eight". Also, star dancers like Regina Creamer, Ryan Cormier, and Lauren Penta provided us with a great lyrical peice that was self-choreographed. With an apperance by Mr. Gelinas as Pumba, this show was truly a great show to watch and be in!

Around the World and Back!

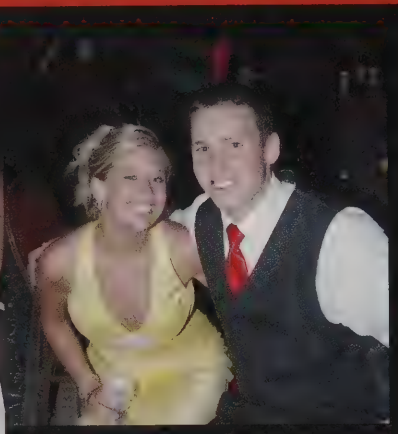
Joe Falzone: "Senior Revue was so much fun. So Fine was definitely my favorite dance because I was with all my friends and got to look straight up 'G'."

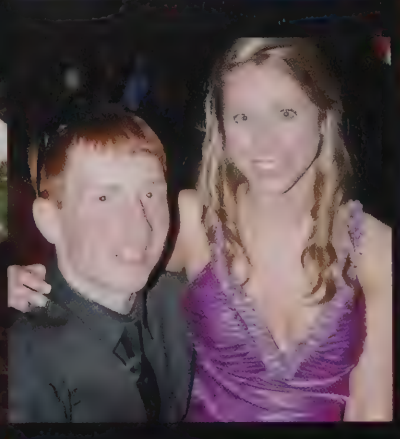
From Left to Right:
E. Steve Falzone, Dylan Carnes ,Joe Falzone
F. Dylan Carnes, Steven Krueger, Ivan Colon Mike Micco, Jonas Duffrene
G. Shani Brown, Cherise Black
H. Rachael Wheaton, Jenna Ernst, Alina Bahlavouni
I. Lauren Penta, Ryan Cormier



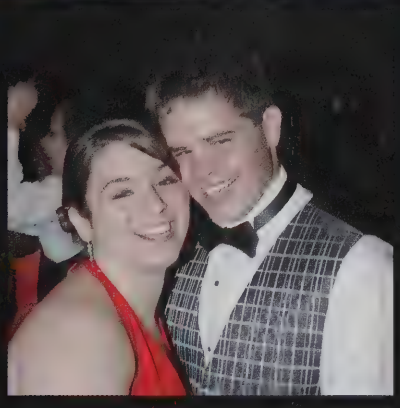
Jonas Duffrene: "Senior Revue was one of the best parts of my senior year! I will never forget it! AHHHH 2010!!"

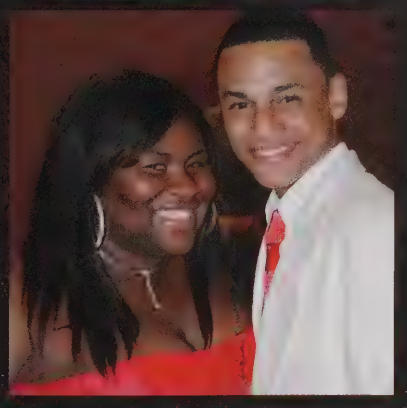
Senior Prom

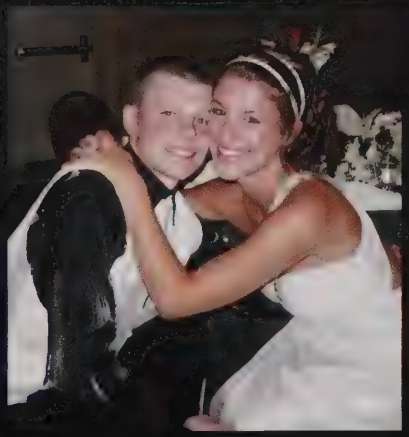




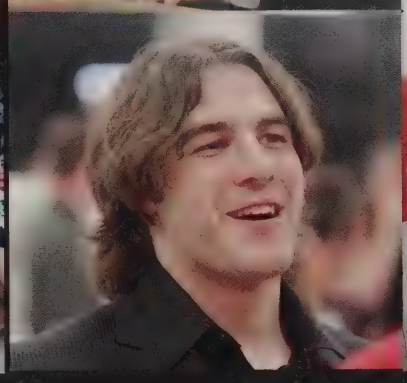
This year our Senior Prom was held at the Burlington Marriot and was Las Vegas Themed. Following the Prom, there was the WHS All Night Party at Brandeis University.

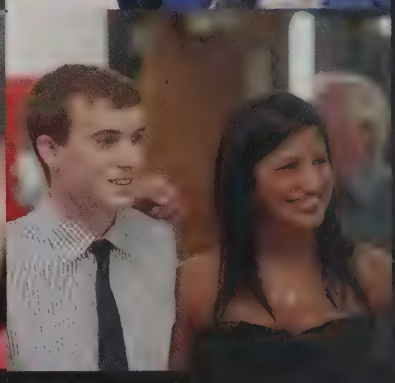




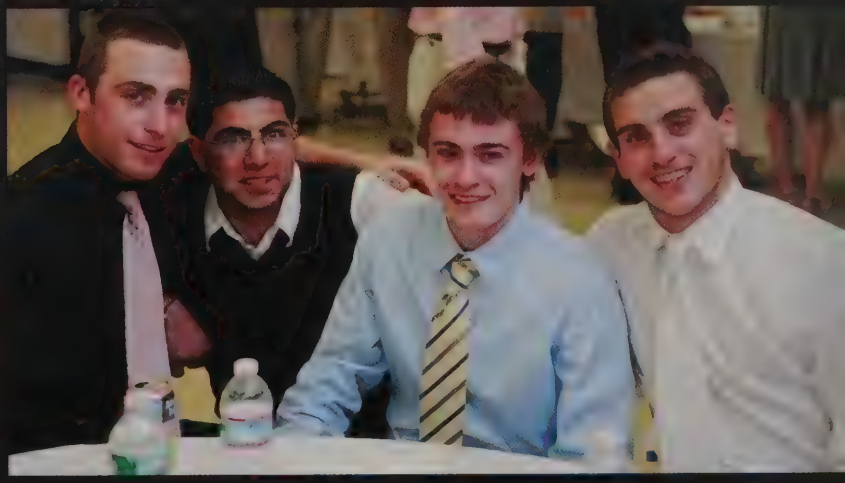


Senior Dinner

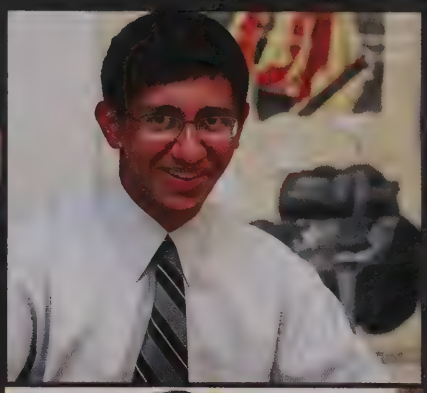




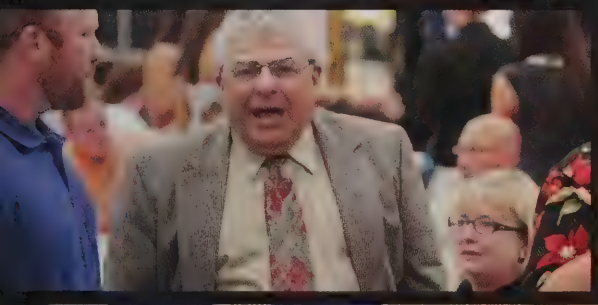
This year 's special recognitions were given to Mr. Jacobson, Ms. Paciti, Mr. Gelinas and Mrs. Kroll for their hard work and dedication. Their support allowed our class to succeed as a whole.



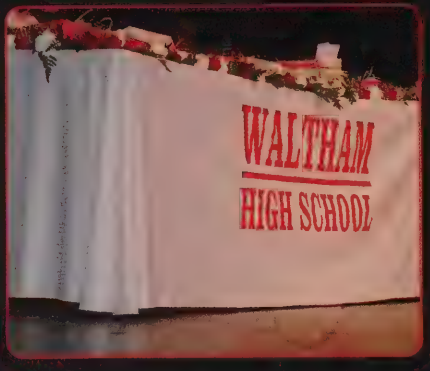
2010



Senior Dinner kicked off the many senior events leading up to graduation. All special recognition awards and book awards were given out to many students on this night.



Awards Night 2010



Graduation

The Graduation Ceremony was held in the Kennedy Middle School Field House because of rain, but was still a huge success. With very well-versed speakers, like student Steven Krueger and School Council member Jerry Walker the class of 2010's graduation was an amazing day.

THERE HE IS!

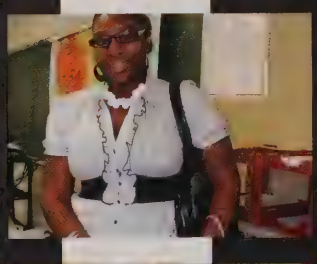
He is brushing up on his facts in class.

Project Hallway

Crocs : Waking down the halls at WHS, you will see many kids wearing these bright and comfy shoes with all different attire.

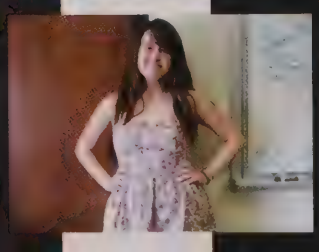
Graphic Tees : Graphic tees were very big this year, worn mainly with jeans, these shirts always made an outfit stand out.

Boots: Tall boots were also a school favorite . These boots came in all different styles and always made an outfit seem complete.

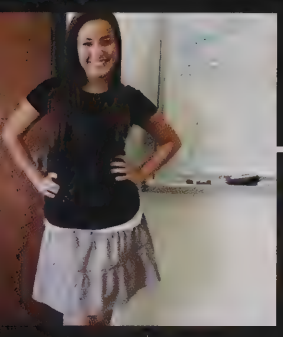


Oversized belts : Belts were used to break up the look of an outfit and made a plain shirt seem more fashionable.

Sweats : Sweats were a very popular look in the halls. Many students enjoy being comfy at school in their hoodies and sweatpants.



Floral Dresses : Once the weather started warming up, floral dresses were seen all around the halls with many different patterns and colors.



WHS Fashion

SUPERSTARS

At Waltham High

This page is dedicated to giving special recognition to students at Waltham High that have gone above and beyond in one way or another and have achieved greatness.

Allie Hickey

Allie Hickey was a vital member of the Waltham Lady Hawks Varsity Ice Hockey team for 5 years. She was a league All-Star every year that she played for the Lady Hawks, breaking numerous records in Waltham, the GBL, DCL,and also the state. During her senior year, as captain, she broke the all-time top scoring record for Waltham High, and was also this seasons top scorer in the state of Massachusetts. She was also named an All-Scholastic player by both the Boston Globe and Herald. She had the chance to play for the Charles River I team for the past 3 years where she was named Player of the Year 3 times. She has been a huge asset to the Lady Hawks, helping them make it to the playoffs for 4 of her 5 years on the team. Not only is she a strong hockey player but she also played Varsity Field Hockey and Varsity Lacrosse for Waltham. Along with her athletic strengths she graduated in high academic standing, being the Secretary of the National Honor Society and the treasurer of the Spanish Club. She will be attending Saint Anselm College in the Fall, playing for their nationally ranked women's Ice Hockey team.

Jenny Doolin

Jenny Doolin is a member of this year's graduating class. She was an important member of the WHS Swim team her freshmen and sophomore years. In her two years on the team, she accomplished a lot, becoming the state champion in the 200 freestyle, winning the sectionals twice, and setting 8 school records. She made the tough decision to leave the team after two years in order to dedicate more time to her club team. “High school swimming was different from club, from the competition to the meets, and I had a fun time.” She credits her coach Mr. Gavin for all of his dedicated time and effort to help her succeed. She plans on attending Northeastern University in the fall where she will be swimming for their Division I team.

Zach Johnson

At just age four, sophomore Zach Johnson began the art of Tae Kwon Do. A rare but vigorous hobby, it became a passion of his. Zach was inspired by his older sister because she was "amazing at martial arts...it made me want to do it and try to be as good as her." Zach has done just that; he is the winner of five State Championships, two National Championships, and a Triple Crown Champion, which is given to fighters who won the three biggest tournaments in New England. His most memorable win is fifth place in Italy where he challenged fighters from around the world. What does the future hold for Zach? " Hopefully, I will own a martial arts studio and become a UFC Champion." With a bright future ahead of him, Zach is truly on his way to accomplishing his dreams.

Senior Danielle Scanlon is one of Waltham High's most modest athletes. She plays soccer in the fall, skiis in the winter, softball in the spring, and participates in the Performance Enhancement Program over the summer. She is always working hard. Aside from her athletic accomplishments, she is also a member of the class council. Many people are not aware of Danielle's skiing accomplishments. She was captain of the high school ski team her sophomore, junior, and senior years. Each of those three years, Danielle earned the title of Mass Bay Ski League East Champion. In the 2009-2010 season, she was the the Eastern Regional Champion. In both the 2008-2009 and the 2009-2010 season Danielle was the State Champion. As if this isn't honorable enough, she has also excelled on her club team, the Mount Washington Valley Ski Team, with whom she skiis every weekend. Danielle is a well-decorated athlete, a tremendous student and her dedication has most certainly paid off as she will be attending the University of Connecticut in the fall of 2011.

Danielle Scanlon

Five lucky winners were picked to be featured in a Nickelodeon commercial for their hardwork and help in their community, and Waltham High School freshman Erin Murphy was one of those lucky winners. Erin's swim coach entered her into the contest because she helped with PALLswim at the Waltham Boys and Girls Club. Erin showed passion and pride while teaching kids to swim and that is why she was chosen to be featured in the commercial. Nickelodeon went to the Boys and Girls Club and took pictures of Erin helping the kids to swim, and those pictures were put into the commercial for the Nickelodeons Big Help campaign.

Erin Murphy

Senior Anya Battaglino has been on the Varsity Ice Hockey team for five years She started to pick up the skates as young as 3 years old and played her entire youth hockey carrier with Waltham Youth Hockey. When she was 12 she began playing in the AAA girls hockey division with the Lady Jr Terriers. This is where she became the player she is today and in 2009 she made the Prep School Division East Coast Wizards team who when on to win the national title. Anya is a hard working defensemen and in her senior year she played the entire hockey game for the Lady Hawks. She will be playing Division 1 hockey for the Boston University Terriers wearing number 26.

Anya Battaglino

Senior Stephanie Ruffin has always been known throughout the halls of Waltham high school as the hilarious, out-spoken, and compassionate classmate and friend. Whether she is singing in her Waltham high school show choir or leading her girls' tennis team as captain, she always gives one hundred percent of her heart and soul into what she does. When on January 12, a 7.0 magnitude earthquake struck Haiti and left many injured and homeless, Stephanie was determined to go to Haiti and help those in need including her family and friends. Through bake sales at Waltham high school as well as through donations at her local church, Stephanie raised enough money to fund her and 5 other family members to go to Haiti. At Haiti, she worked at hospitals with patients suffering from medical conditions from the earthquake. She also volunteered to work with uneducated poverish kids, and treated water into drinkable water for the people. Although she is now back from Haiti, Stephanie plans to go back in the summer. "People in Haiti still need help. The help can't stop now."

Stephanie Ruffin

WE MISS MIKE

The world says goodbye to the King of Pop, Michael Jackson

By Anya Battaglino

In the summer months of 2009, there was a huge shock when Michael Jackson was pronounced dead. On June 25th of 2009, the pop legend went into cardiac arrest and soon afterward died in the UCLA Medical Center. Michael Jackson was a very influential singer-songwriter, dancer, actor, choreographer, businessman, philanthropist and record producer. He was known around the world for popularizing many famous dance moves, like the moon walk and the robot. Also, Michael Jackson was inducted into the Rock and Roll Hall of Fame twice, along with many other amazing honors, like winning the Living Legend Award and the Lifetime Achievement Award. Michael changed the world of pop and of music. We will miss Mike forever and we will all forever be touched by his music.

Michael's children accepted his Lifetime Achievement Award at the Grammy Awards in 2010, and it was a very emotional moment for many Jackson fans.

The Presidential Race

By Anya Battaglino

This was a year of monumental change in the White House as our first black president was elected. Barack Obama firmly believes in the message of hope and throughout this election found ways to get the entire community involved in the voting process. Along with work from Barack himself the WHS Presidential Election club arranged a mock debate where the provided the school with facts from both the Obama party and the McCain party. This helped show the students of WHS what the new presidential race entailed. During this entire process teens and adults became closer with the serious issues we faced and this quickly became one of the most important elections that many of us will ever be a part of. With the economy in a depression and the war against Iraq very crucial details were included in each campaign. The world watched as we elected our first black president.

Tiger's Scandel

By Marisa Burns and Bill Flynn

A minor car crash involving Tiger Woods in late November revealed the troubles of his marriage with Elin Nordegren which was caused by his scandalous affairs with various women, thus ruining his reputation.

Various corporations have ended their sponsorship deals with him because of their disagreement of his actions and fear that Woods' reputation would cause them to lose sales. These corporations include: Gatorade, Gillette, and AT&T. However, a few corporations, such as Nike, EA Games, and Upper Deck, continue their partnership with Woods because they still believe, despite his tarnished reputation, that he is still one of the greatest golfers in history.

After the discovery of Tiger Wood's extramarital affairs, the public's perception of Tiger Woods has changed because of the media's crude version of his personal life. This scandal has also greatly affected Tiger Wood's professional golfing career. After his affairs were leaked by the media, Woods took a leave of absence from the PGA

Health Care Controversy

After much debate and controversy both in Washington D.C. and the homes of America, on March 25, 2010, final approval of a healthcare bill was given by the Senate and now has President Obama's signature, which is needed for final validation. The House of Representatives voted 220 to 207 for the bill and the Senate voted 56 to 43 for the legislation. The biggest opposition of the bill came from the Republicans who were against the cost of this bill and debatable constitutionality of the bill.

Kennedy Senate Seat

By Tony Frimpong

Ted Kennedy Sr. at the age of 77 died on August 25, 2009, at his home in Hyannisport, Massachusetts of brain cancer. Kennedy served a total of 46 years in the US Senate as a symbol under the Democratic Party. As a result of his passing, a special election was held to fill the empty seat.

The candidates include: Michael Capuano, Martha Coakley, Alan Khazei, and Stephen Pagliuca on the Democratic side. Opposing them, two Republicans also ran for the position, Brown University graduate Jack E. Robinson and a graduate of Tufts University, Scott Brown. Although Kennedy wanted the seat to be filled by someone within the family, his oldest son, Edward Kennedy Jr., did not join the race.

The Democratic candidates engaged in a televised debate; the hot topics of the event happened to be healthcare, the situation in Afghanistan, the Patriot Act, the status of the economy, and job problems during this modern recession.

On Tuesday December 8, 2009 it was determined that Martha Coakley had won the primary election in the four-way Democratic race with 47% of the vote, while Republican Scott Brown won his election easily. Furthermore, the special election between Martha Coakley and Scott Brown ended with a surprising Republican victory. Scott Brown will be the replacement for Ted Kennedy. He stated that the turning point in the election was when Coakley began negative campaigning. The election was in favor of Brown with him winning 52% of the overall vote and he received 8,546 votes to Coakley's 8,523 in Waltham.

Pipe Burst Leaves Waltham Thirsty

By Jesse Collings

On May 1st, a 10 foot wide water pipe that rendered water to Boston and over 20 of its suburbs burst into the Charles River. The break in the pipe in Weston, about 10 miles west of Boston, was leaking water into the nearby Charles River at a rate of 8 million gallons per hour, according to state officials. The Massachusetts Water Resources Authority was able to draw emergency water supplies from various reservoirs for bathing, flushing and fire protection. The state issued the boil-water order, however, because the water wasn't treated for drinking.

The boil-water order called for people to boil all tap water so it's suitable to drink. The pipe carries water from the Quabbin Reservoir in central Massachusetts to the Boston area. The break was discovered at about 10 a.m. yesterday and continued to worsen until authorities were forced to shut down the water running through it. The water burst affects over 2 million people in 700,000 households. Mere hours after the announcement of the pipe burst supermarkerts were sold out of spring water. Residents in Waltham were able to pick up emergency water at the now defunct Bright School from 3pm to 8pm. Waltham High also had to deal with the boil water order. Water fountains were shut off and students could now get free water bottles in the house offfices.

The Massachsetts Water Resources Authority announced early Monday morning that the pipe had been succesfully welded, "At this stage, the treated water system is fully restored and is now pushing water throughout the system," Environmental Affairs Secretary Ian Bowles said. "We now move to the second phase, which is the environmental testing to assure water quality, and over the following days we'll begin the process of lifting the order, but it's important for everyone to understand that the boil water order remains in effect until we've got tests back from the field and we can guarantee that the water quality is at the standard that we need." Until then, Waltham will be forced to rely on Emergency Response Teams to receive clean water.

J.D. Salinger dies

On Wednesday January 27, 2010, literary legend J.D. Salinger passed away due to natural causes at his home in Cornish, New Hampshire at the age of 91. Now that Salinger, a man of great secrecy, is dead it is wondered whether his locked-away works will be published.

Many high schools across America teach Salinger's most famous novel, The Catcher in the Rye, and the popularity of his other works make him a household name; Salinger lived the last fifty years of his life secluded from the public eye. According to The New York Times, his works have not been published since 1965 when The New Yorker published "Hapworth 16, 1924."

Since The Catcher in the Rye was published in 1951, many people have enjoyed protagonist Holden Caulfield's story, causing a great public interest and desire to read these alleged unpublished stories. Only time will tell if Salinger's works will remain in his home or in the homes of America.

National Bullying

By Carolina Macedo

Bullying, a common issue amongst children and teens, is defined in the Waltham High School Handbook as "The act of one or more individuals intimidating one or more persons through verbal, physical, mental or written interactions." Although it is a very common issue, it must be prevented as much as possible.

Recently, a 15 year-old Irish girl by the name of Phoebe Prince took her own life, in South Hadley, Massachusetts, after allegedly being continuously bullied by her classmates. A local student at James Fitzgerald Elementary School was also physically threatened by another student. Serious incidents such as these remind students that although bullying is fairly common amongst teenagers, we must realize that everything we say or do has an impact on others

"Students are supposed to feel safe in school," says Mr. Gelinas, senior Housemaster. Gelinas then went on to explain that this is why every grade has its own Housemaster and Adjustment Counselor, in addition to Mediators and the Principal. It is also important to remember that most students have at least one teacher whom they are comfortable speaking to about personal matters. In addition, we must not forget our friends. These people are here to help you if you do not feel safe at Waltham High School. Ultimately, it is the students' responsibility to establish a safe environment for themselves and their fellow classmates, and to let the staff help them do this.

2010

Balloon Boy

By Jesse Collings

On October 15th a story broke across news screens around the country of a home-made hot air balloon taking to the sky across Colorado. The balloon was speculated to be carrying 6-year-old Falcon Heene, who apparently had climbed into the balloon before it took off from the family's backyard. Millions of Americans watched as news cameras followed the craft across several towns before gently landing in a small field.

The Heenes, who appeared on the reality TV show "Wife Swap", did an interview with Larry King on his show on CNN that night. Speculation was growing about the legitimacy of the whole story. Also stirring the pot was the fact that the family had recovered from the dramatizing affair to give an interview on live television. In addition, during a makeshift press conference held on the Heenes' front lawn, Richard Heene wouldn't answer any questions from the press when they were immediately asked, but rather had questions written on paper from the media dropped in a box, which he would take inside the house, and have answered in about an hour. Heene did this presumably to think about his answer. On Larry King, when Falcon was asked why he hadn't answered his parents when they called for him he said, "You guys said we did this for the show".

Three days later, the sheriff of Larimer county, Jim Alderden, formally announced the stunt as a hoax conspired by the Heene family. Charges could be filed and the Heenes may have to pay for the search party that the state used to find Falcon. Hoax or not, lots of Americans will remember the incident and where they were when they heard about it.

IN THE NEWS...

Helping Haiti

By Tony Frimpong

On January 12, 2010 the country of Haiti was devastated by an earthquake, which had a magnitude on the Richter scale of 7.0. CNN estimates the natural disaster took the lives of 200,000 people. A 6.1 aftershock hit surprisingly about a week later.

The resulting situation in Haiti is terrible; families are in dire need of help from the rest of the world. Fortunately, once called upon, many foreign countries have come down to help with the crisis and provide food and shelter for those in need. Additionally, the Red Cross is working tirelessly to help those still buried in the debris of the quake.

Celebrities around the world have also decided to lend a hand to those in need, in the hope of saving thousands of lives. Musical artists such as Sting, Bono, Alicia Keys, and Justin Timberlake performed in a "Hope for Haiti" earthquake relief telethon. The telethon was organized by renowned actor George Clooney to assist the small country, the poorest in the region. With the hearts of the world focusing on Haiti, our school is no different. Waltham High has taken the initiative to come to the aid of Haiti by holding bake sales and taking donations for the cause. The Diversity Club has even started a "Power of One" fundraising campaign, where everyone donates one dollar to the cause, which raised $814.51 in one single day. Students can also help the situation by searching online for legitimate charities to donate to such as the American Red Cross.

Fort Hood Tragedy

By Billy Zeoli

Thursday November 5th, 2009 will be remembered as one of the most tragic days in U.S. military history. At 1:30 pm at one of the most well-known U.S. bases in the world, Fort Hood military base in Texas, a mass shooting occurred killing thirteen people and leaving thirty others wounded. The suspect, Nidal Malik Hasan a thirty-nine year old psychiatrist that was American born but of Palestinian decent, was a rank Major in the U.S. Army. He was charged with thirteen counts of premeditated murder by the military on November 12th.

Major Hasan is a practicing Muslim who became more intense about the religion after the deaths of his parents in 1998 and 2001. His cousin Nader Hasan, who is a lawyer in Virginia, said that Malik turned against the war after hearing story after story from those who came back from Afghanistan and Iraq.

Major Hasan had been receiving poor evaluations for the entire six years that he's been at the base, and his colleagues describe his behavior as disconnected, belligerent, and paranoid. They also said he was very enthusiastic about his Islamic views on the war in Iraq and Afghanistan. Hasan's possible motivation, according to the Dallas Morning News, and ABC News, could have been triggered by people harassing him about being of Palestinian decent, and that the Army wouldn't put some of his patients on trial for war crimes based on statements they made during psychiatric sessions.

The incident happened for only about ten minutes until Hasan was finally shot down by a civilian police officer. It is still being considered whether Major Hasan should be charged a fourteenth count for the death of an unborn child. Hasan became unconscious and was sent to the Brooke Army Medical Center in San Antonio where he was in intensive care, until he woke up to his dreaded charges. He has been able to communicate since November 9th, but refuses to talk to investigators.

Oil Spill

By Tony Frimpong

On April 20, 2010 a large oil spill was the result of a ruptured well that killed 11 workers, sank the rig, and is the cause for a developing economic and environmental crisis. The spill threatens the marshes and marine life along the Gulf Coast of Mexico. Congress is determining how to contain the oil leak from moving out of the Gulf; The Senate and House of Representatives are trying to figure out who is to blame for this disaster through a series of hearings.

MSNBC predicts that, with the frequency of delays in cleanup, the recent leak could become the worst United States oil spill to date, passing the Exxon Valdes incident in Alaska in 1989. Moreover, law officials are likely to question BP, which is a British global energy incorporation, for their negligence regarding the ruptured well and their lack of responsibility. Furthermore, The Obama administration, with collaboration with various environmental groups, will most likely create new regulations to increase deepwater well safety.

Additionally, lawmakers are attempting to increase the amount of money BP chips in from $75 million to a whopping $10 billion. BP, as a result of this accident, will have major damage to its long-term reputation, and future drilling endeavors. Wall Street has stressed that BP will be highly criticized for everything they do following this confusion in the Gulf of Mexico. However, BP has stated that they will still be committed to its drilling program in that area, which contributes 11 percent to the company's worldwide oil production.
